THE BONDS ARE NOT DESIGNATED AS "QUALIFIED TAX-EXEMPT OBLIGATIONS" FOR FINANCIAL INSTITUTIONS

**\$75,685,000**  
**CITY OF PLANO, TEXAS**  
**(Collin and Denton Counties)**  
**GENERAL OBLIGATION REFUNDING AND IMPROVEMENT BONDS, SERIES 2015**

**Dated Date: May 1, 2015**  
**Interest Accrues from Delivery Date**

**Due: September 1, as shown below**

**PAYMENT TERMS** . . . Interest on the \$75,685,000 City of Plano, Texas, General Obligation Refunding and Improvement Bonds, Series 2015 (the "Bonds") will accrue from the Delivery Date, will be payable September 1 and March 1 of each year, commencing September 1, 2015, and will be calculated on the basis of a 360-day year consisting of twelve 30-day months. The definitive Bonds will be initially registered and delivered only to Cede & Co., the nominee of The Depository Trust Company ("DTC") pursuant to the Book-Entry-Only System described herein. Beneficial ownership of the Bonds may be acquired in denominations of \$5,000 or integral multiples thereof. **No physical delivery of the Bonds will be made to the owners thereof.** Principal of, premium, if any, and interest on the Bonds will be payable by the Paying Agent/Registrar to Cede & Co., which will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the beneficial owners of the Bonds. See "THE OBLIGATIONS - Book-Entry-Only System" herein. The initial Paying Agent/Registrar is The Bank of New York Mellon Trust Company, N.A., Dallas, Texas (see "THE OBLIGATIONS - Paying Agent/Registrar").

**AUTHORITY FOR ISSUANCE** . . . The Bonds are issued pursuant to the Constitution and general laws of the State of Texas (the "State"), including particularly Chapters 1207, 1371 and 1331, Texas Government Code, as amended, elections held in the City on May 9, 2009 and May 11, 2013 and Section 9.22 of the City's Home Rule Charter, and a bond ordinance passed by the City Council of the City of Plano, Texas (the "City") on April 27, 2015 (the "Bond Authorization"), in which the City Council delegated pricing of the Bonds and certain other matters to "Pricing Officers" who approved a "Pricing Certificate" for the Bonds which contains the final terms of sale and completed the sale of the Bonds (the Bond Authorization and the Pricing Certificate are jointly referred to as the "Bond Ordinance") The Bonds are direct obligations of the City, payable from a continuing ad valorem tax levied on all taxable property within the City, within the limits prescribed by law, as provided in the Bond Ordinance (see "THE OBLIGATIONS - Authority for Issuance" and "THE OBLIGATIONS - Security and Source of Payment").

**PURPOSE** . . . Proceeds from the sale of the Bonds, together with other available City funds, will be used to (i) refund a portion of the City's outstanding debt described in Schedule I attached to this Official Statement (the "Refunded Obligations") to lower the overall debt service requirements of the City, (ii) for various permanent public improvements and public purposes, including recreation center facilities, parks and athletic facilities, and street improvements, and (iii) for payment of professional services of attorneys, financial advisors and other professionals in connection with the projects and the issuance of the Bonds.

(2) Yield is shown to the first available call date of September 1, 2025.

**REDEMPTION** . . . The City reserves the right, at its option, to redeem Bonds having stated maturities on and after September 1, 2026, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof, on September 1, 2025, or any date thereafter, at the par value thereof plus accrued interest to the date fixed for redemption. See "THE OBLIGATIONS - Optional Redemption."

**SEPARATE ISSUES** . . . The Bonds are being offered by the City concurrently with the "City of Plano, Texas, Tax Notes, Series 2015" (the "Notes"), and such Bonds and Notes are hereinafter sometimes referred to collectively as the "Obligations." The Bonds and Notes are separate and distinct securities offerings being issued and sold independently except for the common Official Statement, and, while the Obligations share certain common attributes, each issue is separate from the other and should be reviewed and analyzed independently, including the type of obligation being offered, its terms for payment, the security for its payment, the rights of the holders, and other features.

**LEGALITY** . . . The Bonds are offered for delivery when, as and if issued and received by the Underwriters and subject to the approving opinion of the Attorney General of Texas and the opinion of Norton Rose Fulbright US LLP, Bond Counsel, Dallas, Texas (see Appendix C, "Forms of Bond Counsel's Opinions"). Certain legal matters will be passed upon for the Underwriters by Andrews Kurth LLP, Austin, Texas, Counsel for the Underwriters.

**DELIVERY** . . . It is expected that the Bonds will be available for delivery through DTC on June 16, 2015 (the "Delivery Date").

## OFFICIAL STATEMENT SUMMARY

This summary is subject in all respects to the more complete information and definitions contained or incorporated in this Official Statement. The offering of the Bonds and Notes to potential investors is made only by means of this entire Official Statement. No person is authorized to detach this summary from this Official Statement or to otherwise use it without the entire Official Statement.

**THE CITY**..... The City of Plano, Texas (the "City") is a political subdivision and home-rule municipal corporation of the State of Texas (the "State"), located in Collin and Denton Counties, Texas. The City covers approximately 72 square miles (see "INTRODUCTION - Description of City").

**THE BONDS**..... The \$75,685,000 General Obligation Refunding and Improvement Bonds, Series 2015 are to mature on September 1 in the years 2015 through 2035 (see "THE OBLIGATIONS - Description of the Obligations").

**THE NOTES**..... The \$5,745,000 Tax Notes, Series 2015 are to mature on September 1 in the years 2015 through 2021 (see "THE OBLIGATIONS - Description of the Obligations").

**PAYMENT OF INTEREST**..... Interest on the Bonds and Notes accrues from the Delivery Date and is payable September 1, 2015, and each March 1 and September 1 thereafter until maturity or prior redemption (see "THE OBLIGATIONS - Description of the Obligations," and "THE OBLIGATIONS - Optional Redemption").

### AUTHORITY FOR ISSUANCE

**OF THE BONDS**..... The Bonds are issued pursuant to the Constitution and general laws of the State, including particularly Chapters 1207, 1331 and 1371, Texas Government Code, as amended, elections held in the City on May 9, 2009 and May 11, 2013 and section 9.22 of the City's Home Rule Charter and a bond ordinance passed by the City Council of the City on April 27, 2015 (the "Bond Authorization"), in which the City Council delegated pricing of the Bonds and certain other matters to "Pricing Officers" who approved a "Pricing Certificate" for the Bonds which contains the final terms of sale and completed the sale of the Bonds (the Bond Authorization jointly referred to as the "Bond Ordinance"). The Bonds are direct obligations of the City, payable from a continuing ad valorem tax levied on all taxable property within the City, within the limits prescribed by law, as provided in the Bond Ordinance (see "THE OBLIGATIONS - Authority for Issuance" and "THE OBLIGATIONS - Security and Source of Payment").

### AUTHORITY FOR ISSUANCE

**OF THE NOTES**..... The Notes are issued pursuant to the Constitution and general laws of the State, particularly Chapters 1431 and 1371, Texas Government Code, as amended, and a note ordinance passed by the City Council of the City on April 27, 2015 (the "Note Authorization"), in which the City Council delegated pricing of the Notes and certain other matters to "Pricing Officers" who approved a "Pricing Certificate" for the Notes which contains the final terms of sale and completed the sale of the Notes (the Note Authorization and the Pricing Certificate for the Notes are jointly referred to as the "Note Ordinance"). The Notes are direct obligations of the City, payable from a continuing ad valorem tax levied on all taxable property within the City, within the limits prescribed by law, as provided in the Note Ordinance (see "THE OBLIGATIONS - Authority for Issuance" and "THE OBLIGATIONS - Security and Source of Payment").

### SECURITY FOR THE

**OBLIGATIONS**..... The Bonds constitute direct and voted obligations of the City, payable from a direct and continuing annual ad valorem tax levied, within the limits prescribed by law, on all taxable property located within the City (see "THE OBLIGATIONS - Security and Source of Payment").

The Notes constitute direct obligations of the City, payable from a direct and continuing annual ad valorem tax levied, within the limit prescribed by law, on all taxable property located within the City (see "THE OBLIGATIONS - Security and Source of Payment").

### OPTIONAL REDEMPTION

The City reserves the right, at its option, to redeem Bonds having stated maturities on and after September 1, 2026, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof, on September 1, 2025, or any date thereafter, at the par value thereof plus accrued interest to the date of redemption (see "THE OBLIGATIONS - Optional Redemption *The Bonds*").

The Notes are not subject to redemption prior to maturity.

**TAX EXEMPTION**..... In the opinion of Bond Counsel, the interest on the Obligations will be excludable from gross income for federal income tax purposes under existing law, subject to the matters described under "Tax Matters" herein, including a description of the alternative minimum tax consequences for corporations.

**USE OF PROCEEDS**..... Proceeds from the sale of the Bonds, together with other available City funds, will be used to (i) refund a portion of the City's outstanding debt described in Schedule I attached to this Official Statement (the "Refunded Obligations") to lower the overall debt service requirements of the City, (ii) for various permanent public improvements and public purposes, including recreation center facilities, parks and athletic facilities, and street improvements, and (iii) for payment of professional services of attorneys, financial advisors and other professionals in connection with the projects and the issuance of the Bonds.

Proceeds from the sale of the Notes will be used for (i) the acquisition, installation and improvement of municipal information technology systems, municipal systems and public safety radio systems, and (ii) for payment of professional services of attorneys, financial advisors and other professionals in connection with the projects and the issuance of the Notes.

**RATINGS** ..... The presently outstanding tax-supported debt of the City is rated by Moody's Investors Service, Inc. ("Moody's"), Fitch Ratings ("Fitch"), and Standard & Poor's Ratings Services, a Standard & Poor's Financial Services LLC business ("S&P"). The Bonds and Notes being issued are rated "Aaa" by Moody's and "AAA" by Fitch, in each case without regard to credit enhancement (see "OTHER INFORMATION - Ratings").

**BOOK-ENTRY-ONLY SYSTEM**..... The definitive Bonds and Notes will be initially registered and delivered only to Cede & Co., the nominee of DTC pursuant to the Book-Entry-Only System described herein. Beneficial ownership of the Bonds and Notes may be acquired in denominations of \$5,000 or integral multiples thereof. No physical delivery of the Bonds and Notes will be made to the beneficial owners thereof. Principal of, premium, if any, and interest on the Bonds and Notes will be payable by the Paying Agent/Registrar to Cede & Co., which will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the beneficial owners of the Bonds and Notes (see "THE OBLIGATIONS - Book-Entry-Only System").

**PAYMENT RECORD** ..... The City has never defaulted on the payment of its tax-supported indebtedness.

### INTRODUCTION

This Official Statement, which includes the Appendices hereto, provides certain information regarding the issuance of \$75,685,000 City of Plano, Texas, General Obligation Refunding and Improvement Bonds, Series 2015 (the "Bonds") and \$5,745,000 City of Plano, Texas, Tax Notes, Series 2015 (the "Notes") (and together with the Bonds, the "Obligations"). The Obligations are separate and distinct securities offerings being authorized for issuance under separate ordinances (the "Bond Authorization" and the "Note Authorization") adopted by the City Council of the City of Plano, Texas (the "City"), but are being offered and sold pursuant to a common Official Statement, and while the Bonds and Notes share certain common attributes, each issue is separate and apart from the other and should be reviewed and analyzed independently, including the kind and type of obligation being issued, its terms of payment, the security for its payment, the rights of the holders and the covenants and agreements made with respect thereto. Capitalized terms used in this Official Statement have the same meanings assigned to such terms in the Bond Authorization and Note Authorization to be adopted on the date of sale of the Bonds and Notes, except as otherwise indicated herein.

In the Bond Authorization, as permitted by the provisions of Chapter 1207, Texas Government Code, as amended ("Chapter 1207"), the City Council delegated the authority to designated officers (the "Pricing Officers") of the City to establish the terms and details of the Bonds and to effect the sale of the Bonds through the Pricing Officers' execution of a "Pricing Certificate" for the Bonds (the Bond Authorization and Pricing Certificate for the Bonds are jointly referred to as the "Bond Ordinance").

In the Note Authorization, as permitted by the provisions of Chapter 1371, Texas Government Code, as amended ("Chapter 1371"), the City Council delegated the authority to designated officers (the "Pricing Officers") of the City to establish the terms and details of the Notes and to effect the sale of the Notes through the Pricing Officers' execution of a "Pricing Certificate" for the Notes (the Note Authorization and such Pricing Certificate for the Notes are jointly referred to as the "Note Ordinance"). The Note Ordinance and the Bond Ordinance are jointly referred to herein as the "Ordinances."

There follows in this Official Statement descriptions of the Bonds and Notes and certain information regarding the City and its finances. All descriptions of documents contained herein are only summaries and are qualified in their entirety by reference to each such document. Copies of such documents may be obtained from the City's Financial Advisor, First Southwest Company, LLC, Dallas, Texas.

**DESCRIPTION OF THE CITY . . .** The City is a political subdivision and home rule municipal corporation of the State of Texas, duly organized and existing under the laws of the State, including the City's Home Rule Charter. The City first adopted its Charter on June 10, 1961, and operates under the Council/Manager form of government with a City Council comprised of the Mayor and seven Councilmembers. At an election held on November 8, 2011, City of Plano voters approved a charter amendment revising Council Member terms of office to four years and establishing staggered, odd-numbered year elections. Council Members in office at the time of the election were held over. The Mayor and three other Council Members' terms expire in 2017 and the other four Council Members' terms expire in 2015. The City Manager is the chief administrative officer for the City. Some of the services that the City provides are: police, fire and emergency medical services, including all facilities, equipment and personnel, highways and streets, water and sanitary sewer utilities, health and social services, culture-recreation, public improvements, planning and zoning, and general administrative services. The 2010 Census population for the City was 259,841 and the estimated 2015 population is 270,900. The City covers approximately 72 square miles.

### PLAN OF FINANCING

#### **PURPOSE . . .**

*The Bonds . . .* Proceeds from the sale of the Bonds, together with other available City funds, will be used to (i) refund a portion of the City's outstanding debt described in Schedule I attached to this Official Statement (the "Refunded Obligations") to lower the overall debt service requirements of the City, (ii) for various permanent public improvements and public purposes, including recreation center improvements, parks and athletic facilities, and street improvements, and (iii) for payment of professional services of attorneys, financial advisors and other professionals in connection with the projects and the issuance of the Bonds.

*The Notes . . .* Proceeds from the sale of the Notes will be used for (i) the acquisition, installation and improvement of municipal information technology systems, municipal systems and public safety radio systems, and (ii) for payment of professional services of attorneys, financial advisors and other professionals in connection with the projects and the issuance of the Notes.

**REFUNDED OBLIGATIONS . . .** The principal and interest due on the Refunded Obligations are to be paid on the redemption dates of such Refunded Obligations from funds to be deposited pursuant to a certain Escrow Agreement (the "Escrow Agreement") between the City and The Bank of New York Mellon Trust Company, N.A., Dallas, Texas (the "Escrow Agent"). The Bond Ordinance provides that from the proceeds of the sale of the Bonds received from the Underwriters and the City will deposit with the Escrow Agent the amount that will be sufficient to accomplish the discharge and final payment of the Refunded Obligations on the redemption date. Prior to the redemption date, such funds will be held by the Escrow Agent in a special escrow account (the "Escrow Fund") and used to purchase some or all of the following types of obligations: (a) direct noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States, (b) noncallable obligations of an agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than "AAA" or its equivalent and/or (c) noncallable obligations of a state or an agency or a county, municipality or other political subdivision of a state that have been refunded that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than "AAA" or its equivalent (the "Escrowed Securities"). Under the Escrow Agreement, the Escrow Fund is irrevocably pledged to the payment of principal of and interest on the Refunded Obligations.

By the deposit of the Escrowed Securities with the Escrow Agent pursuant to the Escrow Agreement, the City will have effected the defeasance of the Refunded Obligations in accordance with law. As a result of such defeasance, and in reliance upon the report of Grant Thornton LLP, the Refunded Obligations will be outstanding only for the purpose of receiving payments from the Escrow Fund and such Refunded Obligations will not be deemed as being outstanding obligations of the City payable from taxes nor for the purpose of applying any limitation on the issuance of debt.

**SOURCES AND USES OF PROCEEDS . . .** The proceeds from the sale of the Obligations will be applied approximately as follows:

(1) Including Underwriters' Discount.

## THE OBLIGATIONS

**DESCRIPTION OF THE OBLIGATIONS . . .** The Obligations are dated May 1, 2015, and mature on September 1 in each of the years and in the amounts shown on the cover page and page 3 hereof. Interest on the Obligations will accrue from the Delivery Date and will be computed on the basis of a 360-day year of twelve 30-day months, and will be payable on March 1 and September 1 of each year, commencing September 1, 2015. The definitive Obligations will be issued only in fully registered form in any integral multiple of \$5,000 for any one maturity and will be initially registered and delivered only to Cede & Co., the nominee of The Depository Trust Company ("DTC") pursuant to the Book-Entry-Only System described herein. **No physical delivery of the Bonds and Notes will be made to the owners thereof.** Principal of, premium, if any, and interest on the Obligations will be payable by the Paying Agent/Registrar to Cede & Co., which will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the beneficial owners of the Obligations. See "THE OBLIGATIONS - Book-Entry-Only System" herein.

**AUTHORITY FOR ISSUANCE . . .** The Bonds are issued pursuant to the Constitution and general laws of the State of Texas (the "State"), including particularly Chapters 1207, 1331, and 1371 Texas Government Code, as amended, elections held in the City on May 9, 2009 and May 11, 2013 and section 9.22 of the City's Home Rule Charter and the Bond Ordinance. The Bonds are direct obligations of the City, payable from a continuing ad valorem tax levied on all taxable property within the City, within the limits prescribed by law, as provided in the Bond Ordinance (see "THE OBLIGATIONS – Security and Source of Payment").

The Notes are issued pursuant to the Constitution and general laws of the State, particularly Chapter 1431, Texas Government Code, as amended, Chapter 1371, and the Note Ordinance. The Notes are direct obligations of the City, payable from a continuing ad valorem tax levied on all taxable property within the City, within the limits prescribed by law, as provided in the Note Ordinance (see "THE OBLIGATIONS – Security and Source of Payment").

**SECURITY AND SOURCE OF PAYMENT . . .** The principal of and interest on the Obligations are payable from a continuing direct annual ad valorem tax levied by the City, within the limits prescribed by law, upon all taxable property in the City.

**TAX RATE LIMITATION. . .** All taxable property within the City is subject to the assessment, levy and collection by the City of a continuing, direct annual ad valorem tax to provide for the operations of the City, including the payment of principal of and interest on all ad valorem tax debt within the limits prescribed by law. Article XI, Section 5, of the Texas Constitution is applicable to the City, and limits its maximum ad valorem tax rate to \$2.50 per \$100 Taxable Assessed Valuation for all City purposes.

**OPTIONAL REDEMPTION . . .**

*The Bonds . . .* The City reserves the right, at its option, to redeem the Bonds having stated maturities on and after September 1, 2026 in whole or in part in principal amounts of \$5,000 or any integral multiple thereof, on September 1, 2025 or any date thereafter, at the par value thereof plus accrued interest to the date of redemption. If less than all of the Bonds are to be redeemed, the City may select the maturities of Bonds to be redeemed. If less than all the Bonds of any maturity are to be redeemed, the Paying Agent/Registrar (or DTC while the Bonds are in Book-Entry-Only form) shall determine by lot the Bonds, or portions thereof, within such maturity to be redeemed. If a Bond (or any portion of the principal sum thereof) shall have been called for redemption and notice of such redemption shall have been given, such Bond (or the principal amount thereof to be redeemed) shall become due and payable on such redemption date and interest thereon shall cease to accrue from and after the redemption date, provided funds for the payment of the redemption price and accrued interest thereon are held by the Paying Agent/Registrar on the redemption date.

*The Notes . . .* The Notes are not subject to optional redemption prior to maturity.

**NOTICE OF REDEMPTION . . .** Not less than 30 days prior to a redemption date for the Bonds, the City shall cause a notice of redemption to be sent by United States mail, first class, postage prepaid, to the registered owners of the Bonds to be redeemed, in whole or in part, at the address of the registered owner appearing on the registration books of the Paying Agent/Registrar at the close of business on the business day next preceding the date of mailing such notice. ANY NOTICE SO MAILED SHALL BE CONCLUSIVELY PRESUMED TO HAVE BEEN DULY GIVEN, WHETHER OR NOT THE REGISTERED OWNER RECEIVES SUCH NOTICE. NOTICE HAVING BEEN SO GIVEN, THE BONDS CALLED FOR REDEMPTION SHALL BECOME DUE AND PAYABLE ON THE SPECIFIED REDEMPTION DATE, AND NOTWITHSTANDING THAT ANY BOND OR PORTION THEREOF HAS NOT BEEN SURRENDERED FOR PAYMENT, INTEREST ON SUCH BOND OR PORTION THEREOF SHALL CEASE TO ACCRUE.

With respect to any optional redemption of the Bonds, unless moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon the satisfaction of any prerequisites set forth in such notice of redemption; and, if sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed

**DEFEASANCE . . .** The Ordinances provide that the City may discharge its obligations to the registered owners of any or all of the Obligations, as applicable, to pay principal and interest thereon in any manner permitted by law. Under current Texas law, such discharge may be accomplished either (i) by depositing with the Paying Agent/Registrar or other lawfully authorized entity a sum of money equal to the principal of and all interest to accrue on such Obligations to maturity or redemption (if applicable) or (ii) by depositing with the Paying Agent/Registrar or other lawfully authorized entity amounts sufficient, together with the investments earnings thereon, to provide for the payment and/or redemption (if applicable) of such Obligations; provided that such deposits may be invested and reinvested only in (a) direct non-callable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America, (b) noncallable obligations of an agency or instrumentality of the United States, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date the governing body of the City adopts or approves the proceedings authorizing the issuance of refunding obligations, are rated as to investment quality by a nationally recognized investment rating firm not less than "AAA" or its equivalent, and (c) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date the governing body of the City adopts or approves the proceedings authorizing the issuance of refunding obligations to refund the Obligations, as applicable, are rated as to investment quality by a nationally recognized investment rating firm not less than "AAA" or its equivalent. The foregoing obligations may be in book-entry form, and shall mature and/or bear interest payable at such times and in such amounts as will be sufficient to provide for the scheduled payment and/or redemption (if applicable) of the Obligations, as the case may be.

If any of the Bonds are to be redeemed prior to their respective dates of maturity, provision must have been made for the payment to the registered owners of such Bonds at the date of maturity or prior redemption of the full amount to which such owner would be entitled and for giving notice of redemption as provided in the Bond Ordinance.

Under current State law, after such deposit as described above, such Bonds shall no longer be regarded as outstanding or unpaid. After firm banking and financial arrangements for the discharge and final payment or redemption of the Bonds have been made as described above, all rights of the City to initiate proceedings to call the Bonds for redemption or take any other action amending the terms of the Bonds are extinguished; provided, however, that the right to call the Bonds for redemption is not extinguished if the City: (i) in the proceedings providing for the firm banking and financial arrangements, expressly reserves the right to call the Bonds for redemption; (ii) gives notice of the reservation of that right to the owners of the Bonds immediately following the making of the firm banking and financial arrangements; and (iii) directs that notice of the reservation be included in any redemption notices that it authorizes.

Under current State law, after such deposit as described above, such Notes shall no longer be regarded as outstanding or unpaid. After firm banking and financial arrangements for the discharge and final payment of the Notes have been made as described above, all rights of the City to initiate proceedings or take any other action amending the terms of the Notes are extinguished.

There is no assurance that the current law will not be changed in a manner which would permit investments other than those described above to be made with amounts deposited to defease the Obligations. Because the Ordinances do not contractually limit such investments, registered owners may be deemed to have consented to defeasance with such other investments, notwithstanding the fact that such investments may not be of the same investment quality as those currently permitted under State law.

**BOOK-ENTRY-ONLY SYSTEM . . .** *This section describes how ownership of the Obligations is to be transferred and how the principal of, premium, if any, and interest on the Obligations are to be paid to and credited by The Depository Trust Company ("DTC"), New York, New York, while the Obligations are registered in its nominee name. The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as this Official Statement. The City and the Underwriters believe the source of such information to be reliable, but take no responsibility for the accuracy or completeness thereof.*

*The City and the Underwriters cannot and does not give any assurance that (1) DTC will distribute payments of debt service on the Obligations, or redemption or other notices, to DTC Participants, (2) DTC Participants or others will distribute debt service payments paid to DTC or its nominee (as the registered owner of the Obligations), or redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or (3) DTC will serve and act in the manner described in this Official Statement. The current rules applicable to DTC are on file with the Securities and Exchange Commission, and the current procedures of DTC to be followed in dealing with DTC Participants are on file with DTC.*

DTC will act as securities depository for the Obligations. The Obligations will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered security certificate will be issued for each maturity of the Obligations, each in the aggregate principal amount or maturity amount as applicable, of such maturity, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Obligations under the DTC system must be made by or through Direct Participants, which will receive a credit for the Obligations on DTC's records. The ownership interest of each actual purchaser of each Obligation ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Obligations are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Obligations, except in the event that use of the book-entry system for the Obligations is discontinued.

To facilitate subsequent transfers, all Obligations deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Obligations with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Obligations; DTC's records reflect only the identity of the Direct Participants to whose accounts such Obligations are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Obligations may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Obligations, such as redemptions, tenders, defaults, and proposed amendments to the certificate documents. For example, Beneficial Owners of Obligations may wish to ascertain that the nominee holding the Obligations for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the register and request that copies of the notices be provided directly to them.

Redemption notices for the Bonds shall be sent to DTC. If less than all of the Bonds of a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Obligations unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Obligations are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Obligations will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the Paying Agent/Registrar of each series, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Paying Agent/Registrar of each series, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or Paying Agent/Registrar of each series, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

**USE OF CERTAIN TERMS IN OTHER SECTIONS OF THIS OFFICIAL STATEMENT . . .** In reading this Official Statement it should be understood that while the Obligations are in the Book-Entry-Only System, references in other sections of this Official Statement to registered owners should be read to include the person for which the Participant acquires an interest in the Obligations, but (i) all rights of ownership must be exercised through DTC and the Book-Entry-Only System, and (ii) except as described above, notices that are to be given to registered owners under the Ordinances will be given only to DTC.

Information concerning DTC and the Book-Entry-Only System has been obtained from DTC and is not guaranteed as to accuracy or completeness by, and is not to be construed as a representation by the City, the Financial Advisor, or the Underwriters.

**EFFECT OF TERMINATION OF BOOK-ENTRY-ONLY SYSTEM . . .** In the event that the Book-Entry-Only System is discontinued by DTC or the use of the Book-Entry-Only System is discontinued by the City, printed Obligations will be issued to the holders and the Obligations will be subject to transfer, exchange and registration provisions as set forth in the Ordinances and summarized under "The Obligations - Transfer, Exchange and Registration" below.

**PAYING AGENT/REGISTRAR . . .** The initial Paying Agent/Registrar for the Obligations is The Bank of New York Mellon Trust Company, N.A., Dallas, Texas. In the Ordinances, the City retains the right to replace the Paying Agent/Registrar. The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Obligations are duly paid and any successor Paying Agent/Registrar shall be a commercial bank or trust company organized under the laws of the State of Texas or other entity duly qualified and legally authorized to serve as and perform the duties and services of Paying Agent/Registrar for the Obligations. If the City replaces the Paying Agent/Registrar, such Paying Agent/Registrar shall, promptly upon the appointment of a successor, deliver the Paying Agent/Registrar's records to the successor Paying Agent/Registrar, and the successor Paying Agent/Registrar shall act in the same capacity as the previous Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Obligations, the City agrees to promptly cause a written notice thereof to be sent to each registered owner of the Obligations by United States mail, first class, postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

**PAYMENT . . .** Interest on the Obligations shall be paid to the registered owners appearing on the registration books of the Paying Agent/Registrar at the close of business on the Record Date (defined below), and such interest shall be paid (i) by check sent United States Mail, first class postage prepaid to the address of the registered owner recorded in the registration books of the

Paying Agent/Registrar or (ii) by such other method, acceptable to the Paying Agent/Registrar requested by, and at the risk and expense of, the registered owner. Principal of the Obligations will be paid to the registered owner at their stated maturity upon presentation to the designated payment/transfer office of the Paying Agent/Registrar. If the date for the payment of the principal of or interest on the Obligations shall be a Saturday, Sunday, a legal holiday or a day when banking institutions in the city where the designated payment/transfer office of the Paying Agent/Registrar is located are authorized to close, then the date for such payment shall be the next succeeding day which is not such a day, and payment on such date shall have the same force and effect as if made on the date payment was due.

**TRANSFER, EXCHANGE AND REGISTRATION . . .** In the event the Book-Entry-Only System should be discontinued, printed certificates will be delivered to the registered owners of the Obligations and thereafter the Obligations may be transferred and exchanged on the registration books of the Paying Agent/Registrar only upon presentation and surrender to the Paying Agent/Registrar and such transfer or exchange shall be without expense or service charge to the registered owner, except for any tax or other governmental charges required to be paid with respect to such registration, exchange and transfer. Obligations may be assigned by the execution of an assignment form on the respective Obligations or by other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. New Obligations will be delivered by the Paying Agent/Registrar, in lieu of the Obligations being transferred or exchanged, at the designated office of the Paying Agent/Registrar, or sent by United States mail, first class, postage prepaid, to the new registered owner or his designee. To the extent possible, new Obligations issued in an exchange or transfer of Obligations will be delivered to the registered owner or assignee of the registered owner in not more than three business days after the receipt of the Obligations to be canceled, and the written instrument of transfer or request for exchange duly executed by the registered owner or his duly authorized agent, in form satisfactory to the Paying Agent/Registrar. New Obligations registered and delivered in an exchange or transfer shall be in any integral multiple of \$5,000 for any one maturity and for a like aggregate designated amount as the Obligations surrendered for exchange or transfer. See "THE OBLIGATIONS - Book-Entry-Only System" herein for a description of the system to be utilized initially in regard to ownership and transferability of the Obligations. Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption, in whole or in part, within 45 days of the date fixed for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the registered owner of the uncalled balance of a Bond.

**RECORD DATE FOR INTEREST PAYMENT . . .** The record date ("Record Date") for the interest payable on the Obligations on any interest payment date means the close of business on the 15<sup>th</sup> day of the preceding month.

In the event of a non payment of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest ("Special Payment Date", which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Holder of an Obligation appearing on the registration books of the Paying Agent/Registrar at the close of business on the last business day next preceding the date of mailing of such notice.

**OBLIGATIONHOLDERS' REMEDIES . . .** If the City defaults in the payment of principal of or, interest on the Obligations, or the redemption price on the Bonds when due, or the City defaults in the observation or performance of any other covenants, conditions, or obligations set forth in an Ordinance, the registered owners of the Obligations, may seek a writ of mandamus to compel the City or City officials to carry out the legally imposed duties with respect to the applicable Obligations if there is no other available remedy at law to compel performance of the Obligations or the Ordinance and the City's obligations are not uncertain or disputed. The issuance of a writ of mandamus is controlled by equitable principles, so rests with the discretion of the court, but may not be arbitrarily refused. There is no acceleration of maturity of the Obligations in the event of default and, consequently, the remedy of mandamus may have to be relied upon from year to year. The Ordinances do not provide for the appointment of a trustee to represent the interest of the holders of the Obligations upon any failure of the City to perform in accordance with the terms of the Ordinances, or upon any other condition and accordingly all legal actions to enforce such remedies would have to be undertaken at the initiative of, and be financed by, the registered owners. On June 30, 2006, the Texas Supreme Court ruled in *Tooke v. City of Mexia*, 197 S.W.3d 325 (Tex. 2006) that a waiver of sovereign immunity in a contractual dispute must be provided for by statute in "clear and unambiguous" language. Because it is unclear whether the Texas legislature has effectively waived the City's sovereign immunity from a suit for money damages, Obligationholders may not be able to bring such a suit against the City for breach of the Obligations or Ordinances covenants in the absence of City action. Even if a judgment against the City could be obtained, it could not be enforced by direct levy and execution against the City's property. Further, the registered owners cannot themselves foreclose on property within the City or sell property within the City to enforce the tax lien on taxable property to pay the principal of and interest on the Obligations. Furthermore, the City is eligible to seek relief from its creditors under Chapter 9 of the U.S. Bankruptcy Code ("Chapter 9"). Although Chapter 9 provides for the recognition of a security interest represented by a specifically pledged source of revenues, the pledge of ad valorem taxes in support of a general obligation of a bankrupt entity is not specifically recognized as a security interest under Chapter 9. Chapter 9 also includes an automatic stay provision that would prohibit, without Bankruptcy Court approval, the prosecution of any other legal action by creditors or Obligationholders of an entity which has sought protection under Chapter 9. Therefore, should the City avail itself of Chapter 9 protection from creditors, the ability to enforce would be subject to the approval of the Bankruptcy Court (which could require that the action be heard in Bankruptcy Court instead of other federal or state court); and the Bankruptcy Code provides for broad discretionary powers of a Bankruptcy Court in administering any proceeding brought before it. The opinions of Bond Counsel will note that all opinions relative to the enforceability of the Obligations are qualified with respect to the customary rights of debtors relative to their creditors.

## AD VALOREM TAX INFORMATION

**AD VALOREM TAX LAW** . . . Reference is made to the Texas Tax Code (the "Property Tax Code"), for identification of property subject to taxation; property exempt or which may be exempted from taxation, if claimed; the appraisal of property for ad valorem taxation purposes; and the procedures and limitations applicable to the levy and collection of ad valorem taxes. The appraisal of property within the City is the responsibility of the Collin and Denton Appraisal Districts (referred to herein together as the "Appraisal District"). Excluding agricultural and open-space land, which may be taxed on the basis of productive capacity, the Appraisal District is required under the Property Tax Code to appraise all property within the Appraisal District on the basis of 100% of its market value and is prohibited from applying any assessment ratios.

In determining the market value of property, different methods of appraisal may be used, including the cost method of appraisal, the income method of appraisal and market data comparison method of appraisal, and the method considered most appropriate by the chief appraiser is to be used. State law limits the appraised value of a residence homestead for a tax year to an amount not to exceed the lesser of (1) the most recent market value of the residence homestead as determined by the appraisal entity, or (2) 110% of the appraised value of the property for the preceeding tax year plus the market value of all new improvements to the property. The value placed upon property within the Appraisal District is subject to review by an Appraisal Review Board, consisting of three members appointed by the Board of Directors of the Appraisal District. The Appraisal District is required to review the value of property within the Appraisal District at least every three years. The City may require annual review at its own expense, and is entitled to challenge the determination of appraised value of property within the City by petition filed with the Appraisal Review Board.

Article VIII of the State Constitution ("Article VIII") and State law provide for certain exemptions from property taxes, the valuation of agricultural and open-space lands at productivity value, and the exemption of certain personal property from ad valorem taxation.

Under Article VIII, Section 1-b, and State law, the governing body of a political subdivision, at its option, may grant: (1) an exemption of not less than \$3,000 of the market value of the residence homestead of persons 65 years of age or older and the disabled from all ad valorem taxes thereafter levied by the political subdivision; (2) an exemption of not less than \$5,000 and up to 20% of the market value of residence homesteads. The minimum exemption under this provision is \$5,000.

In the case of residence homestead exemptions granted under Article VIII, Section 1-b, ad valorem taxes may continue to be levied against the value of homesteads exempted where ad valorem taxes have previously been pledged for the payment of debt if cessation of the levy would impair the obligation of the contract by which the debt was created. Homeowners who turn 65 during a tax year qualify immediately for the over-65 homestead exemption.

State law and Article VIII, Section 2, mandate an additional property tax exemption for disabled veterans or the surviving spouse or children of a deceased veteran who died while on active duty in the armed forces; the exemption applies to either real or personal property with the amount of assessed valuation exempted ranging from \$5,000 to a maximum of \$12,000.

Under Article VIII and State law, the governing body of a county, municipality or junior college district, may freeze the total amount of ad valorem taxes levied on the residence homestead of a disabled person or persons 65 years of age or older to the amount of taxes imposed in the year such residence qualified for such exemption. Also, upon receipt of a petition signed by five percent of the registered voters of the county, municipality or junior college district, an election must be held to determine by majority vote whether to establish such a limitation on taxes paid on residence homesteads of persons 65 years of age or who are disabled. Upon providing for such exemption, such freeze on ad valorem taxes is transferable to a different residence homestead and to a surviving spouse living in such homestead who is disabled or is at least 55 years of age. If improvements (other than maintenance or repairs) are made to the property, the value of the improvements is taxed at the then current tax rate, and the total amount of taxes imposed is increased to reflect the new improvements with the new amount of taxes then serving as the ceiling on taxes for the following years. Once established, the tax rate limitation may not be repeated or rescinded. The City has authorized the tax freeze on homesteads of taxpayers 65 years of age or older and disabled persons. For additional information, see "AD VALOREM TAX INFORMATION - City Application of Tax Code."

Article VIII provides that eligible owners of both agricultural land (Section 1-d) and open-space land (Section 1-d-1), including open-space land devoted to farm or ranch purposes or open-space land devoted to timber production, may elect to have such property appraised for property taxation on the basis of its productive capacity. The same land may not be qualified under both Sections 1-d and 1-d-1.

Nonbusiness personal property, such as automobiles or light trucks, are exempt from ad valorem taxation unless the governing body of a political subdivision elects to tax this property. Boats owned as nonbusiness property are exempt from ad valorem taxation.

Article VIII, Section 1-j, provides for "freeport property" to be exempted from ad valorem taxation. Freeport property is defined as goods detained in Texas for 175 days or less for the purpose of assembly, storage, manufacturing, processing or fabrication. Decisions to continue to tax may be reversed in the future; decisions to exempt freeport property are not subject to reversal.

Article VIII, Section 1-1, provides for the exemption from ad valorem taxation of certain property used to control the pollution of air, water or land. A person is entitled to an exemption from taxation of all or part of real and personal property that the person owns and that is used wholly or partly as a facility, device or method for the control of air, water or land pollution.

Under Section 11.25 of the Property Tax Code, the governing body of a taxing entity may exempt from taxation part or all of the assessed value of a structure or archeological site and the land necessary for access to and use of the structure or archeological site, if the structure or archeological site is: (1) designated as a Recorded Texas Historic Landmark under Chapter 442, Texas Government Code, or a state archeological landmark under Chapter 191, Texas Natural Resources Code, by the Texas Historical Commission; or (2) designated as a historically or archeologically significant site in need of tax relief to encourage its preservation pursuant to an ordinance or other law adopted by the governing body of the unit.

Under Section 11.253 of the Property Tax Code, "goods-in-transit" are exempt from taxation unless a taxing unit opts out of the exemption. Goods-in-transit are defined as tangible personal property that: (i) is acquired in or imported into the state to be forwarded to another location in the State or outside of the State; (ii) is detained at a location in the State in which the owner of the property does not have a direct or indirect ownership interest for assembling, storing, manufacturing, processing, or fabricating purposes by the person who acquired or imported the property; (iii) is transported to another location in the State or outside the State not later than 175 days after the date the person acquired the property in or imported the property into the State; and (iv) does not include oil, natural gas, petroleum products, aircraft, dealer's motor vehicle inventory, dealer's vessel and outboard motor inventory, dealer's heavy equipment inventory, or retail manufactured housing inventory.

The City and the other taxing bodies within its territory may agree to jointly create tax increment financing zones, under which the taxes on increased property values in the zone are dedicated to financing public improvements within the zone and are not available for general City use. The City also may enter into tax abatement agreements to encourage economic development. Under the agreements, a property owner agrees to construct certain improvements on its property. The City in turn, agrees not to levy a tax on all or part of the increased value attributable to the improvements until the expiration of the agreement. The abatement agreement could last for a period of up to 10 years. The City has active reinvestment zones for tax abatements and 1 tax increment financing zone for tax increment financing purposes. See "AD VALOREM TAX INFORMATION - Economic Development Incentives" and "Table 1 - Valuation, Exemptions and General Obligation Debt."

Cities are also authorized, pursuant to Chapter 380, Texas Local Government Code ("Chapter 380") to established programs to promote state or local economic development and to stimulate business and commercial activity in the City. In according with a program established pursuant to Chapter 380, the City may make loans or grants or public funds for economic development purposes, however, no obligates secured by ad valorem taxes may be issued for such purposes unless approved by voters of the City. See "AD VALOREM TAX INFORMATION - Economic Development Incentives - Other Economic Development Programs".

**TAX RATE LIMITATION** . . . All taxable property within the City is subject to the assessment, levy and collection by the City of a continuing, direct annual ad valorem tax sufficient to provide for the payment of principal of and interest on all ad valorem tax debt within the limits prescribed by law. Article XI, Section 5, of the Texas Constitution is applicable to the City, and limits its maximum ad valorem tax rate to \$2.50 per \$100 Taxable Assessed Valuation for all City purposes.

The City Council is required to adopt the annual tax rate per \$100 taxable value for the City before the later of September 30 or the 60<sup>th</sup> day after the date the certified appraisal roll is received by the City. The tax rate consists of two components: (1) a rate for funding of maintenance and operation expenditures, and (2) a rate for debt service. If the City Council does not adopt a tax rate by such required date, the tax rate for that tax year is the lower of the effective tax rate calculated for that tax year or the tax rate adopted by the City for the preceding tax year.

Under the Property Tax Code, the City must annually calculate and publicize its "effective tax rate" and "rollback tax rate." The City Council may not adopt a tax rate that exceeds the lower of the rollback tax rate or the effective tax rate until two public hearings are held on the proposed tax rate following a notice of such public hearing and the City Council has otherwise complied with the legal requirements for the adoption of such tax rate. If the adopted tax rate exceeds the rollback tax rate, the qualified voters of the City by petition may require that an election be held to determine whether or not to reduce the tax rate adopted for the current year to the rollback tax rate.

"Effective tax rate" means the rate that will produce last year's total tax levy (adjusted) from this year's total taxable values (adjusted). "Adjusted" means lost values are not included in the calculation of last year's taxes and new values are not included in this year's taxable values. "Rollback tax rate" means the rate that will produce last year's maintenance and operation tax levy (adjusted) from this year's values (adjusted) multiplied by 1.08 plus a rate that will produce this year's debt service from this year's values (unadjusted) divided by the anticipated tax collection rate.

The Property Tax Code provides that certain cities and counties in the State may submit a proposition to the voters to authorize an additional one-half cent sales tax on retail sales of taxable items. If the additional tax is levied, the effective tax rate and the rollback tax rate calculations are required to be offset by the revenue that will be generated by the sales tax in the current year.

Reference is made to the Property Tax Code for definitive requirements for the levy and collection of ad valorem taxes and the calculation of the various defined tax rates.

**PROPERTY ASSESSMENT AND TAX PAYMENT . . .** Property within the City is generally assessed as of January 1 of each year. Business inventory may, at the option of the taxpayer, be assessed as of September 1. Oil and gas reserves are assessed on the basis of a valuation process which uses an average of the daily price of oil and gas for the prior year. Taxes become due October 1 of the same year, and become delinquent on February 1 of the following year. Taxpayers 65 years old or older are permitted by State law to pay taxes on homesteads in four installments with the first due on February 1 of each year and the final installment due on August 1.

**PENALTIES AND INTEREST. . .** Charges for penalty and interest on the unpaid balance of delinquent taxes are made as follows:

<u>Month</u>	<u>Cumulative Penalty</u>	<u>Cumulative Interest</u>	<u>Total</u>
February	6%	1%	7%
March	7	2	9
April	8	3	11
May	9	4	13
June	10	5	15
July	12	6	18

After July, penalty remains at 12%, and interest increases at the rate of 1% each month. In addition, if an account is delinquent in July, a 20% attorney's collection fee is added to the total tax penalty and interest charge. Under certain circumstances, taxes which become delinquent on the homestead of a taxpayer 65 years old or older incur a penalty of 8% per annum with no additional penalties or interest assessed. In general, property subject to the City's lien may be sold, in whole or in parcels, pursuant to court order to collect the amounts due. Federal law does not allow for the collection of penalty and interest against an estate in bankruptcy. Federal bankruptcy law provides that an automatic stay of action by creditors and other entities, including governmental units, goes into effect with the filing of any petition in bankruptcy. The automatic stay prevents governmental units from foreclosing on property and prevents liens for post-petition taxes from attaching to property and obtaining secured creditor status unless, in either case, an order lifting the stay is obtained from the bankruptcy court. In many cases post-petition taxes are paid as an administrative expense of the estate in bankruptcy or by order of the bankruptcy court.

**CITY APPLICATION OF TAX CODE . . .** The City grants a \$40,000 exemption to the market value of all residence homesteads of persons 65 years of age or older or who are disabled.

The City has granted an additional exemption of 20% of the market value of all other declared homesteads. The constitutional amendment provides that taxes may continue to be levied against the value of the exempted homestead where ad valorem taxes have previously been pledged for the payment of debt, if cessation of the levy would impact the obligation of the contract by which the debt was created.

See Table 1 for a listing of the amounts of the exemptions described above.

The City has adopted the tax freeze for citizens who are 65 years of age or older or disabled, which became a local option and subject to local referendum on January 1, 2004. The City Council also adopted a tax freeze on homesteads of the disabled and of persons 65 and older occurred in May 2004. As a result of the adoption of the freezes, total City taxes on the residence homestead of a disabled person or persons 65 years of age or older residing in the City are frozen at the level of taxes billed for the 2004-05 fiscal year, or to the amount of taxes imposed in the year such residence qualified for such exemption. In order to qualify for the exemption, a taxpayer must make application to the Appraisal District. The City has not made a comprehensive study regarding the impact that the freeze will have on the taxable assessed value of the City in future years.

The City does not qualify under state law to collect the additional one-half cent sales tax for reduction of ad valorem taxes.

Ad valorem taxes are not levied by the City against the exempt value of residence homesteads for the payment of debt.

The City does not tax nonbusiness personal property.

The Collin and Denton County Tax Assessor/Collectors collect the taxes for the City.

The City does not permit split payments of taxes, and discounts for the early payment of taxes are not allowed, although permitted on a local-option basis.

The City does not tax freeport property.

The City does not tax goods in transit.

With regard to historic properties, the City abates a percentage of taxes on the improvement only and that percentage depends on the qualification of the property and its classification, per City ordinance. The real property is not subject to abatement.

The City has adopted a tax abatement policy described below.

The City participates in one tax increment financing zone. See "Ad Valorem Tax Information – Economic Development Initiatives".

**ECONOMIC DEVELOPMENT INITIATIVES . . .** The City's five year financial forecast is based upon the fact that the City is transitioning from a fast growth municipality to a maturing community. As a result of this process, the City expects to continue to aggressively pursue business development to further diversify its revenue base. The economic development tools described below are among the incentives that the City has used, and expects to continue to use, in pursuit of this strategy.

Tax Abatement Policy . . . State law authorizes political subdivisions of the State to grant tax abatements to any person, organization or corporation in order to stimulate economic development within the State. The City Council has adopted a resolution establishing criteria whereby the City will, on a case-by-case basis, give consideration to providing tax abatement to any qualifying applicant. A tax abatement can be offered in either of two categories: (i) real property and/or (ii) business personal property. Real property abatements applicable to the value of improvements made can be offered to applicants that will pursue construction of new or expanded facilities. Business personal property abatements applicable to the value of new personal property brought into the taxing jurisdiction can be offered to applicants that will pursue the purchase or long-term lease of existing facilities, with the abatement. Under the City's current policies, tax abatement offers are made on a case-by-case basis, with value of the improvements, and location being used to determine the tax abatement amount offered. Notwithstanding the resolution adopted by the City Council and the criteria attendant thereto, the City is under no obligation to provide tax abatement to any applicant. To date, the City has granted a total of 138 tax abatements. The amount of property value entitled to tax abatement during fiscal year 2014-15 is \$342,644,257. State law limits the duration of tax abatement agreements to ten years. Other than one abatement in the amount of approximately \$167,000 that is due to expire in December 31, 2017 where 75% of the taxable value is being abated, the currently outstanding tax abatements that have been granted by the City have abated 50% or less of the taxable value of a qualifying applicant.

Tax Increment Financing . . . The City currently has one tax increment financing zone in place (the "TIF") that will expire in 2029. The TIF relates to financing for public improvements associated with the development of East Plano. The Projects for the TIF were approved by the City Council in fiscal year 1999 with a revised project list adopted by City Council in November 2010.

In May 2014, the City Council approved an amendment to the project and finance plan and extended the term of the TIF an additional 15 years with the City and County being the only two participants for the extended TIF.

See Table 1 for the incremental taxable assessed value for the TIF.

Other Economic Development Programs . . . The City has entered into one Chapter 380 Economic Development Incentive Agreement with a business pursuant to which the City agrees to pay a grant to the business in an amount proportionate to the City's share of the sales taxes paid by the business to the State. The amount the City is required to pay under this agreement does not have a material impact on the City's finances. Since Fiscal Year 2007 the City began another Chapter 380 economic development incentive program, whereby the City awards grants to qualifying businesses. For this program, two cents of the general fund tax has been appropriated annually to fund Chapter 380 Economic Development Grants to qualifying businesses.

The City has also entered into two agreements with hotel operators to make a grant payable from its hotel occupancy tax revenues to provide marketing and transportation services to promote the city's convention, hotel and tourism business.

Expenditures of the various taxing entities within the territory of the City are paid out of ad valorem taxes levied by such entities on properties within the City. Such entities are independent of the City and may incur borrowings to finance their expenditures. This statement of direct and estimated overlapping ad valorem tax bonds ("Tax Debt") was developed from information contained in "Texas Municipal Reports" published by the Municipal Advisory Council of Texas. Except for the amounts relating to the City, the City has not independently verified the accuracy or completeness of such information, and no person should rely upon such information as being accurate or complete. Furthermore, certain of the entities listed may have issued additional Tax Debt since the date hereof, and such entities may have programs requiring the issuance of substantial amounts of additional Tax Debt, the amount of which cannot be determined. The following table reflects the estimated share of overlapping Tax Debt of the City.

**ANTICIPATED ISSUANCE OF ADDITIONAL GENERAL OBLIGATION DEBT . . .** The City anticipates the issuance of approximately \$40 million in additional tax supported debt in the 2<sup>nd</sup> quarter of 2016.

**THE COMMUNITY INVESTMENT PROGRAM . . .** The City Council annually adopts a five year Community Investment Program (the "CIP") to reflect the City's commitment to continually invest in the City's infrastructure. The CIP is made for planning purposes and may identify projects that will be deferred or omitted entirely in future years; only projects for the current fiscal year are included in the City's adopted budget. In addition, as conditions change, new projects may be added that are not currently identified. For the fiscal year ending September 30, 2015, the CIP includes approximately \$158.2 million in total budgeted expenditures for all City capital projects, including general obligation, water, sewer, drainage and capital reserve projects. A large portion of the projects other than general obligation projects are funded from reserves or on a pay as you go basis. The total CIP for the five year period ending September 30, 2019 includes \$514.7 million of capital improvements, of which \$239.6 million are general obligation projects. See "Debt Information – Anticipated Issuance of Additional General Obligation Debt," for a description of the City's plans to finance portions of the CIP through the issuance of general obligation bond issues.

**OTHER OBLIGATIONS . . .** The City has no unfunded debt outstanding as of September 30, 2014.

**PENSION FUND . . .** The City provides pension benefits for all of its full-time employees through a nontraditional, joint contributory, hybrid defined benefit plan in the State-wide Texas Municipal Retirement System (the "TMRS"), one of 850 currently administered by TMRS, an agent multiple-employer public employee retirement system. Benefits from the TMRS administered plan depend upon the sum of the employees' contributions to the plan, with interest, and the City-financed monetary credits, with interest. Members can retire at ages 60 and above with 5 or more years of service or with 20 or more years of service regardless of age. A member is vested after 5 years. The plan provisions are adopted by the governing body of the City, within the options available in the State statutes governing TMRS and within the actuarial constraints also in the statutes.

Pursuant to legislation passed by the 82<sup>nd</sup> Texas Legislature and signed into law by the Texas Governor on June 17, 2011, many aspects of the laws governing TMRS and its operations were amended, including, among other changes, restructuring the TMRS internal funds and accounting and the method of calculating the annual interest rate a municipality would have to pay on past-due contributions. The changes implemented by the amendments resulted in higher actuarial value of assets and, therefore, higher funded ratios. As of December 31, 2013, the City's actuarial accrued liability was \$797,166,833, and as of such date the City had actuarial value of assets of \$667,602,583, leaving the City with an unfunded actuarial accrued liability of \$(129,564,250) and giving the City a "funded ratio" of 83.7%. The City had a total annual pension cost of \$24,216,776 and the City contributed all of such amount, leaving a net pension obligation of \$0.

With respect to the City's contributions, the TMRS requires each city in the State to contribute a certain percentage of covered payroll each month, and allows certain cities to contribute a lesser amount by paying a "Phase-in Rate" rather than the "Full Rate". The "Phase-in Rate" period is an eight-year period that began on January 1, 2009. If a city elects to pay the "Phase-in Rate", its required monthly contribution rate will be a lesser amount during such phase-in period. However, each year that a city's actual contribution rate is less than the "Full Rate", the difference generates an actuarial loss in the following year's valuation, and therefore increases the city's required minimum contribution for the next year. Furthermore, cities that pay the "Phase-in Rate" or any rate less than the "Full Rate" are also likely to see their funding ratio decline each year.

The City elected to contribute at the "Phase-in Rate" in calendar years 2009 through 2013 and has contributed at the full rate in calendar year 2014 and budgeted to contribute at the full rate in calendar year 2015. For calendar year 2014, the City's TMRS-required minimum monthly contribution rate was 18.11% of covered payroll. For calendar year 2015, the City's full rate is 18.11%. Currently, the City expects to fully fund its actuarial accrued liability over the next 25 years with an assumed payroll growth rate of 3%. For calendar year 2015, the City contributed an additional \$3 million above the Annual Required Contribution Rate.

For more detailed information concerning the City's pension plan, see Appendix A, "Excerpts from the City's Annual Financial Report" - Note IV.5.

**RETIREMENT SECURITY PLAN . . .** On January 1, 1983, the City withdrew from the Federal Social Security system and created the Retirement Security Plan (the "RSP"), a single-employer, defined benefit pension trust fund, to provide retirement benefits for all full-time employees of the City. The plan is created by City ordinance and administered by a committee of five, which meets four times a year. Professional investment management is used and a custodial bank retains the assets and provides for administration of benefit payments. Members are eligible to receive full retirement benefits under the RSP upon attaining age 65 with 5 years of service. Early retirement benefits are paid upon completion of 20 years of vesting service (TMRS credited service) or upon attaining age 60 with 5 years of vesting service. At least 5 years of vesting service must be with the City. The plan issues a separate publicly available financial report that includes financial statements and required supplementary information. The financial report may be obtained by request to the City's Human Resources Department, 1520 Avenue K, Suite 130, Plano, Texas 75074.

As of the December 31, 2013 biennial actuarial valuation, the most recent actuarial valuation date, the City's actuarial accrued liability with respect to RSP was \$100,604,971, and the City's actuarial value of assets as of such date was \$100,876,901, giving the City a "funded ratio" of 100.3%. There were 1,988 active members of whom 1,459 were vested and 529 were non-vested, and there were 600 terminated participants receiving benefits. Contributions by the City are established as part of the City budget process. No employee contributions are required by the plan. The City contributed \$3,877,315 or 3.31% of the covered payroll for the year ended September 30, 2014, as compared to the December 31, 2013 biennial actuarial requirement of 3.12%.

For more detailed information concerning the RSP, see Appendix A, "Excerpts from the City's Annual Financial Report" - Note IV.5.

**OTHER POST-EMPLOYMENT BENEFITS . . .** The City offers its retired employees under age 65 health insurance coverage under the same plan as the active employees and Medicare supplementary insurance for retirees 65 and older. The number of retired participants receiving health insurance coverage for 2014 was 371, of which 212 were on the same plan as the active employees and 159 were on Medicare supplementary insurance. Premiums are paid by the retired employees and claims are processed by the City's agent and paid through the Health Claims Fund. Expenditures for postretirement health care benefits are recognized as retirees report claims. Claims paid for retired employees for 2014 were \$3,585,832.

On March 1, 2008, the City established a Section 115 Trust (the "Trust") to comply with the requirements of Governmental Accounting Standards Board Statement No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits other than Pensions ("OPEB"), for the purpose of funding and providing certain benefits to its eligible retirees. The plan was created by City ordinance and is administered by the Risk Pool Trustees, consisting of five City employees appointed by the City, who meet four times a year. The Trust issues a separate publicly available financial report that includes financial statements and required supplementary information at the Trust's fiscal year end which is December 31. Those financial reports may be obtained by request to the City's Human Resources Department, 1520 Avenue K, Suite 130, Plano, Texas 75074.

The City delivers to the Section 115 Trustee the amounts of money that are contributed to the Trust Fund by the City and, if applicable, by participants. Contributions by the City are established as part of the City budget process and are based on amounts determined in the actuarial study prepared biennially. For fiscal year ending September 30, 2014 the City contributed \$5,219,998 million to the Trust which represents approximately 103.4% of the annual required contribution of the employer (ARC). In addition, retirees contributed \$1,001,647 million to the Trust.

As of the October 1, 2013 biennial actuarial valuation, the most recent actuarial valuation date, the actuarial accrued liability for benefits was \$73,844,336, and the Trust's actuarial value of assets as of such date was \$50,780,101, giving the Trust a "funded ratio" of 68.8%. As of September 30, 2014 the City had a net OPEB asset in the amount of \$21,082,973 in the Trust.

For more detailed information concerning the City's Employee Benefit Plans, see Appendix A, "Excerpts from the City's Annual Financial Report" - Note IV.5.

The City has historically adopted a budget that uses conservative estimates of revenues and greater levels of spending than is actually undertaken. The City typically builds its budgetary revenues on using total resources available, including budget year cash flows as well as the portion of the General Fund balance that exceeds 30 days' of budgeted expenditures.

**TABLE 13 - MUNICIPAL SALES TAX HISTORY**

The City has adopted the Municipal Sales and Use Tax Act, Chapter 321, Texas Tax Code, which grants the City the power to impose and levy a 1% Local Sales and Use Tax within the City; the proceeds are credited to the General Fund and are not pledged to the payment of the Obligations. Collections and enforcements are effected through the offices of the Comptroller of Public Accounts, State of Texas (the "Comptroller"), who remits the proceeds of the tax, after deduction of a 2% service fee, to the City monthly.

Note: The City is a member of Dallas Area Rapid Transit ("DART"), which collects a 1% sales and use tax within its service area, including the City. The total sales tax rate collected in the City is 8.25% (6.25% by the State of Texas, 1% by the City and 1% by DART). Under current State law, the total sales and use tax rate may not exceed 8.25% in any location.

#### **FINANCIAL POLICIES**

Basis of Accounting . . . The accounting policies of the City conform to generally accepted accounting principles for governmental entities as promulgated by the Government Accounting Standards Board. The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds and pension trust funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the combined balance sheet. Operating statements of these funds present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets.

All proprietary and trust funds are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the combined statement of net assets. Proprietary fund-type operating statements present increases (revenues) and decreases (expenses) in total net assets.

The modified accrual basis of accounting is used by all governmental funds types, pension trust funds and agency funds. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). "Measurable" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are generally recorded when the related fund liability is incurred. However, principal of and interest on general long-term debt are recorded as fund liabilities when due or when amounts have been accumulated in the debt service fund for payments to be made early in the following year. Major revenue sources which have been treated as susceptible to accrual under the modified basis of accounting include property taxes, charges for services, intergovernmental revenues, and investment of available funds.

The accrual basis of accounting is utilized by proprietary and trust funds. Under this method, revenue is recorded when earned and expenses are recorded at the time liabilities are incurred.

The City reports unearned revenue on its combined balance sheet. Unearned revenues arise when a potential revenue does not meet both the "measurable" and "available" criteria for recognition in the current period. Unearned revenues also arise when resources are received by the government before it has a legal claim to them, as when grant monies are received prior to the incurrence of qualified expenditures. In subsequent periods, when both revenue recognition criteria are met, or when the government has a legal claim to the resources, the liability for unearned revenue is removed from the combined balance sheet and revenue is recognized.

Deferred outflows of resources are used to report consumptions of net position by the City that are applicable to a future reporting period. Deferred inflows of resources are used to report acquisitions of net assets by the City that are applicable to future reporting periods. The deferred inflow is reclassified to revenue on the government-wide financial statements.

Fund Balances . . . It is the City's practice regarding the General Fund and Enterprise Funds that working capital resources should be maintained at 30 days of the Funds' operating expenses. The City maintains its various debt service funds in accordance with the covenants of applicable bond ordinances.

Budgetary Procedures . . . The City's Home Rule Charter establishes the fiscal year as the twelve-month period beginning each October 1. Each year by the middle of June, the City Manager, after review, submits a budget of estimated revenues and expenditures to the City Council. Subsequently, the City Council will hold work sessions to discuss and amend the budget to coincide with their direction of the City. Various public hearings may be held to comply with state and local statutes. The City Council will adopt a budget prior to October 1 through passage of an ordinance. If the Council fails to adopt a budget then the prior year budget remains in effect.

During the fiscal year, budgetary control is maintained by the monthly review by department heads of departmental appropriation balances. Actual operations are compared to the amounts set forth in the budget. Departmental appropriations that have not been expended lapse at the end of the fiscal year. Therefore, funds that were budgeted and not used by the departments during the fiscal year are not available for their use unless appropriated in the ensuing fiscal year's budget.

## **INVESTMENTS**

The City invests its investable funds in investments authorized by Texas law and in accordance with investment policies approved by the City Council. Both state law and the City's investment policies are subject to change.

**LEGAL INVESTMENTS** . . . Under Texas law, including specifically the Public Funds Investment Act Texas Government Code, Chapter 2256, as amended, (the "PFIA"), the City is authorized to invest in (1) obligations, including letters of credit, of the United States or its agencies and instrumentalities, (2) direct obligations of the State of Texas or its agencies and instrumentalities, (3) collateralized mortgage obligations directly issued by a federal agency or instrumentality of the United States, the underlying security for which is guaranteed by an agency or instrumentality of the United States, (4) other obligations, the principal and interest of which are unconditionally guaranteed, insured, or backed by the full faith and credit of the State of Texas or the United States or their respective agencies and instrumentalities, including obligations that are fully guaranteed or insured by the Federal Deposit Insurance Corporation or by the explicit full faith and credit of the United States; (5) obligations of states, agencies, counties, cities, and other political subdivisions of any state rated as to investment quality by a nationally recognized investment rating firm not less than A or its equivalent, (6) bonds issued, assumed, or guaranteed by the State of Israel, (7) certificates of deposit and share certificates (i) issued by a depository institution that has its main office or a branch office in the State of Texas, that are guaranteed or insured by the Federal Deposit Insurance Corporation, its successor, or the National Credit Union Share Insurance Fund, or are secured as to principal by obligations described in clauses (1) through (6) or in any other manner and amount provided by law for City deposits, or (ii) where (a) the funds are invested by an investing entity through a broker that has its main office or a branch office in the State of Texas and is selected from a list adopted by the City as required by the PFIA or a depository institution that has its main office or a branch office in the State of Texas that is selected by the City; (b) the broker or the depository institution selected by the City arranges for the deposit of the funds in certificates of deposit in one or more federally insured depository institutions, wherever located, for the account of the City; (c) the full amount of the principal and accrued interest of each of the certificates of deposit is insured by the United States or an instrumentality of the United States, and (d) the investing entity appoints the depository institution selected under subdivision (a), a custodian as described by Texas Government Code, Section 2257.041(d), or a clearing broker-dealer registered with the Securities and Exchange Commission and operating pursuant to Securities and Exchange Commission Rule 15c3-3 (17 C.F.R. Section 240.15c3-3); (8) fully collateralized repurchase agreements that have a defined termination date, are fully secured by a combination of cash and obligations described in clause (1) above which are pledged to the City, held in the City's name, and deposited at the time the investment is made with the City or with a third party selected and approved by the City and are placed through a primary government securities dealer or a financial institution doing business in the State of Texas, (9) bankers' acceptances with a stated maturity of 270 days or less from the date of its issuance, if the short-term obligations of the accepting bank or its parent are rated at least A-1 or P-1 or the equivalent by at least one nationally recognized credit rating agency, (10) commercial paper that is rated at least A-1 or P-1 or the equivalent by either (a) two nationally recognized credit rating agencies or (b) one nationally recognized credit rating agency if the paper is fully secured by an irrevocable letter of credit issued by a U.S. or state bank, (11) no-load money market mutual funds registered with and regulated by the Securities and Exchange Commission that have a dollar weighted average stated maturity of 90 days or less and include in their investment objectives the maintenance of a stable net asset value of \$1 for each share, (12) no-load mutual funds registered with the Securities and Exchange Commission that have an average weighted maturity of less than two years, invest exclusively in obligations described in the preceding clauses, and are continuously rated as to investment quality by at least one nationally recognized investment rating firm of not less than AAA or its equivalent, and (13) public funds investment pools meeting the requirements of the PFIA and are continuously rated as to investment quality by at least one nationally recognized investment rating firm of not less than AAA or AAA-m or at an equivalent rating. Texas law also permits the City to invest bond proceeds in a guaranteed investment contract, subject to limitations as set forth in the PFIA.

A political subdivision such as the City may enter into securities lending programs if (i) the securities loaned under the program are 100% collateralized, a loan made under the program allows for termination at any time and a loan made under the program is either secured by (a) obligations that are described in clauses (1) through (6) above, (b) irrevocable letters of credit issued by a state or national bank that is continuously rated by a nationally recognized investment rating firm at not less than A or its equivalent or (c) cash invested in obligations described in clauses (1) through (6) above, clauses (10) through (12) above, or an authorized investment pool; (ii) securities held as collateral under a loan are pledged to the City, held in the City's name and deposited at the time the investment is made with the City or a third party designated by the City; (iii) a loan made under the program through either a primary government securities dealer or a financial institution doing business in the State of Texas; and (iv) the agreement to lend securities has a term of one year or less.

The City may invest in such obligations directly or through government investment pools that invest solely in such obligations provided that the pools are rated no lower than AAA or AAAM or an equivalent by at least one nationally recognized rating service. The City is specifically prohibited from investing in (1) obligations whose payment represents the coupon payments on the outstanding principal balance of the underlying mortgage-backed security collateral and pays no principal (2) obligations whose payment represents the principal stream of cash flow from the underlying mortgage-backed security and bears no interest (3) collateralized mortgage obligations that have a stated final maturity of greater than 10 years, and (4) collateralized mortgage obligations the interest rate of which is determined by an index that adjusts opposite to the changes in a market index.

**INVESTMENT POLICIES . . .** Under Texas law, the City is required to invest its funds under written investment policies that primarily emphasize safety of principal and liquidity; that address investment diversification, yield, maturity, and the quality and capability of investment management; and that includes a list of authorized investments for City funds, maximum allowable stated maturity of any individual investment, the maximum average dollar-weighted maturity allowed for pooled fund groups, methods to monitor the market price of investments acquired with public funds, a requirement for settlement of all transactions, except investment pool funds and mutual funds, on a delivery versus payment basis, and procedures to monitor rating changes in investments acquired with public funds and the liquidation of such investments consistent with the PFIA. All City funds must be invested consistent with a formally adopted "Investment Strategy Statement" that specifically addresses each fund's investment. Each Investment Strategy Statement will describe its objectives concerning: (1) suitability of investment type, (2) preservation and safety of principal, (3) liquidity, (4) marketability of each investment, (5) diversification of the portfolio, and (6) yield.

Under Texas law, City investments must be made "with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person's own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived." At least quarterly the investment officers of the City shall submit an investment report detailing: (1) the investment position of the City, (2) that all investment officers jointly prepared and signed the report, (3) the beginning market value, the ending market value and the fully accrued interest during the reporting period of each pooled fund group, (4) the book value and market value of each separately listed asset at the end of the reporting period, (5) the maturity date of each separately invested asset, (6) the account or fund or pooled fund group for which each individual investment was acquired, and (7) the compliance of the investment portfolio as it relates to: (a) adopted investment strategy statements and (b) state law. No person may invest City funds without express written authority from the City Council.

Under State law, the City is additionally required to: (1) annually review its adopted policies and strategies; (2) adopt a rule, order, ordinance or resolution stating that it has reviewed its investment policy and investment strategies and records any changes made to either its investment policy or investment strategy in the respective rule, order, ordinance or resolution; (3) require any investment officers with personal business relationships or relatives with firms seeking to sell securities to the City to disclose the relationship and file a statement with the Texas Ethics Commission and the City Council; (4) require the qualified representative of firms offering to engage in an investment transaction with the City to: (a) receive and review the City's investment policy, (b) acknowledge that reasonable controls and procedures have been implemented to preclude investment transactions conducted between the City and the business organization that are not authorized by the City's investment policy (except to the extent that this authorization is dependent on an analysis of the makeup of the City's entire portfolio or requires an interpretation of subjective investment standards), and (c) deliver a written statement in a form acceptable to the City and the business organization attesting to these requirements; (5) perform an annual audit of the management controls on investments and adherence to the City's investment policy; (6) provide specific investment training for the Treasurer, chief financial officer and investment officers; (7) restrict reverse repurchase agreements to not more than 90 days and restrict the investment of reverse repurchase agreement funds to no greater than the term of the reverse purchase agreement; (8) restrict the investment in no-load mutual funds in the aggregate to no more than 15% of the City's monthly average fund balance, excluding bond proceeds and reserves and other funds held for debt service; (9) require local government investment pools to conform to the new disclosure, rating, net asset value, yield calculation, and advisory board requirements; and (10) at least annually review, revise, and adopt a list of qualified brokers that are authorized to engage in investment transactions with the City.

## TAX MATTERS

**TAX EXEMPTION** . . . The delivery of the Obligations is subject to the opinions of Bond Counsel to the effect that interest on the Obligations for federal income tax purposes (1) will be excludable from gross income, as defined in section 61 of the Internal Revenue Code of 1986, as amended to the date of such opinions (the "Code"), pursuant to section 103 of the Code and existing regulations, published rulings, and court decisions, and (2) will not be included in computing the alternative minimum taxable income of the owners thereof who are individuals or, except as hereinafter described, corporations. Forms of Bond Counsel's opinions are reproduced as Appendix B. The statutes, regulations, rulings, and court decisions on which such opinions are based are subject to change.

Interest on the Obligations owned by a corporation will be included in such corporation's adjusted current earnings for purposes of calculating the alternative minimum taxable income of such corporation, other than an S corporation, a qualified mutual fund, a real estate investment trust, a real estate mortgage investment conduit, or a financial asset securitization investment trust ("FASIT"). A corporation's alternative minimum taxable income is the basis on which the alternative minimum tax imposed by Section 55 of the Code will be computed.

In rendering the foregoing opinions, Bond Counsel will rely upon representations and certifications of the City made in a certificate dated the date of delivery of the Obligations pertaining to the use, expenditure, and investment of the proceeds of the Obligations and will assume continuing compliance by the City with the provisions of the Ordinances subsequent to the issuance of the Obligations. The Ordinances contain covenants by the City with respect to, among other matters, the use of the proceeds of the Obligations and the facilities financed therewith by persons other than state or local governmental units, the manner in which the proceeds of the Obligations are to be invested, the periodic calculation and payment to the United States Treasury of arbitrage "profits" from the investment of proceeds, and the reporting of certain information to the United States Treasury. Failure to comply with any of these covenants may cause interest on the Obligations to be includable in the gross income of the owners thereof from the date of the issuance of the Obligations.

Bond Counsel's opinions are not a guarantee of a result, but represent its legal judgment based upon its review of existing statutes, regulations, published rulings and court decisions and the representations and covenants of the City described above. No ruling has been sought from the Internal Revenue Service (the "IRS") with respect to the matters addressed in the opinions of Bond Counsel, and Bond Counsel's opinions are not binding on the IRS. The IRS has an ongoing program of auditing the tax-exempt status of the interest on tax-exempt obligations. If an audit of the Obligations is commenced, under current procedures the IRS is likely to treat the City as the "taxpayer," and the owners of the Obligations would have no right to participate in the audit process. In responding to or defending an audit of the tax-exempt status of the interest on the Obligations, the City may have different or conflicting interests from the owners of the Obligations. Public awareness of any future audit of the Obligations could adversely affect the value and liquidity of the Obligations during the pendency of the audit, regardless of its ultimate outcome.

Except as described above, Bond Counsel expresses no other opinion with respect to any other federal, state or local tax consequences under present law, or proposed legislation, resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Obligations. Prospective purchasers of the Obligations should be aware that the ownership of tax-exempt obligations such as the Obligations may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a FASIT, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Prospective purchasers should consult their own tax advisors as to the applicability of these consequences to their particular circumstances.

Existing law may change to reduce or eliminate the benefit to bondholders of the exclusion of interest on the Obligations from gross income for federal income tax purposes. Any proposed legislation or administrative action, whether or not taken, could also affect the value and marketability of the Obligations. Prospective purchasers of the Obligations should consult with their own tax advisors with respect to any proposed or future changes in tax law.

**TAX ACCOUNTING TREATMENT OF DISCOUNT AND PREMIUM ON CERTAIN OBLIGATIONS** . . . The initial public offering price of certain Obligations (the "Discount Obligations") may be less than the amount payable on such Obligations at maturity. An amount equal to the difference between the initial public offering price of a Discount Obligation (assuming that a substantial amount of the Discount Obligations of that maturity are sold to the public at such price) and the amount payable at maturity constitutes original issue discount to the initial purchaser of such Discount Obligation. A portion of such original issue discount allocable to the holding period of such Discount Obligation by the initial purchaser will, upon the disposition of such Discount Obligation (including by reason of its payment at maturity), be treated as interest excludable from gross income, rather than as taxable gain, for federal income tax purposes, on the same terms and conditions as those for other interest on the Obligations described above under "Tax Exemption." Such interest is considered to be accrued actuarially in accordance with the constant interest method over the life of a Discount Obligation, taking into account the semiannual compounding of accrued interest, at

the yield to maturity on such Discount Obligation and generally will be allocated to an initial purchaser in a different amount from the amount of the payment denominated as interest actually received by the initial purchaser during the tax year.

However, such interest may be required to be taken into account in determining the alternative minimum taxable income of a corporation, for purposes of calculating a corporation's alternative minimum tax imposed by Section 55 of the Code, and the amount of the branch profits tax applicable to certain foreign corporations doing business in the United States, even though there will not be a corresponding cash payment. In addition, the accrual of such interest may result in certain other collateral federal income tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, S corporations with subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a FASIT, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Moreover, in the event of the redemption, sale or other taxable disposition of a Discount Obligation by the initial owner prior to maturity, the amount realized by such owner in excess of the basis of such Discount Obligation in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such Discount Obligation was held) is includable in gross income.

Owners of Discount Obligations should consult with their own tax advisors with respect to the determination of accrued original issue discount on Discount Obligations for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Discount Obligations. It is possible that, under applicable provisions governing determination of state and local income taxes, accrued interest on Discount Obligations may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment.

The initial public offering price of certain Obligations (the "Premium Obligations") may be greater than the amount payable on such Obligations at maturity. An amount equal to the difference between the initial public offering price of a Premium Obligation (assuming that a substantial amount of the Premium Obligations of that maturity are sold to the public at such price) and the amount payable at maturity constitutes premium to the initial purchaser of such Premium Obligations. The basis for federal income tax purposes of a Premium Obligation in the hands of such initial purchaser must be reduced each year by the amortizable bond premium, although no federal income tax deduction is allowed as a result of such reduction in basis for amortizable bond premium. Such reduction in basis will increase the amount of any gain (or decrease the amount of any loss) to be recognized for federal income tax purposes upon a sale or other taxable disposition of a Premium Obligation. The amount of premium which is amortizable each year by an initial purchaser is determined by using such purchaser's yield to maturity.

Purchasers of the Premium Obligations should consult with their own tax advisors with respect to the determination of amortizable bond premium on Premium Obligations for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Premium Obligations.

## CONTINUING DISCLOSURE OF INFORMATION

In the Ordinances, the City has made the following agreement for the benefit of the holders and beneficial owners of the Obligations. The City is required to observe the agreement for so long as it remains obligated to advance funds to pay the Obligations. Under the agreement, the City will be obligated to provide certain updated financial information and operating data annually, and timely notice of specified material events, to certain information vendors. This information will be available to securities brokers and others who subscribe to receive the information from the vendors.

**ANNUAL REPORTS . . .** The City will provide to the MSRB updated financial information and operating data annually. The information to be updated includes quantitative financial information and operating data with respect to the City of the general type included in this Official Statement under the Tables numbered 1 through 6 and 8 through 14 and in Appendix A. The City will update and provide this information in the numbered tables within six months after the end of each fiscal year ending in or after 2015 and audited financial statements within 12 months after the end of each fiscal year ending in or after 2015. If the audit of such financial statements is not complete within 12 months after any such fiscal year end, then the City shall file unaudited financial statements within such 12-month period and audited financial statements for the applicable fiscal year, when and if the audit report on such statements becomes available. Any such financial statements will be prepared in accordance with the accounting principles described in Appendix A or such other accounting principles as the City may be required to employ from time to time pursuant to State law or regulation. The financial information and operating data to be provided may be set forth in full in one or more documents or may be included by specific reference to any document available to the public on the MSRB's Internet Web site or filed with the United States Securities and Exchange Commission (the "SEC"), as permitted by SEC Rule 15c2-12 (the "Rule").

The City's current fiscal year end is September 30. Accordingly, updated unaudited information included in the above-referenced tables must be provided by March 31 in each year, and audited financial statements must be provided by September 30 of each year, unless the City changes its fiscal year. If the City changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data.

**NOTICE OF CERTAIN EVENTS . . .** The City will also provide timely notices of certain events to the MSRB. The City will provide notice of any of the following events with respect to the Obligations to the MSRB in a timely manner (but not in excess of ten business days after the occurrence of the event): (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Obligations, or other material events affecting the tax status of the Obligations; (7) modifications to rights of holders of the Obligations, if material; (8) Obligation calls, if material, and tender offers; (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Obligations, if material; (11) rating changes; (12) bankruptcy, insolvency, receivership, or similar event of the City, which shall occur as described below; (13) the consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of its assets, other than in the ordinary course of business, the entry into of a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and (14) appointment of a successor or additional trustee or the change of name of a trustee, if material. In addition, the City will provide timely notice of any failure by the City to provide annual financial information in accordance with their agreement described above under "Annual Reports".

For these purposes, any event described in (12) in the immediately preceding paragraph is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

**AVAILABILITY OF INFORMATION . . .** The City has agreed to provide the foregoing information only as described above. Investors will be able to access continuing disclosure information filed with the MSRB free of charge at [www.emma.msrb.org](http://www.emma.msrb.org).

**LIMITATIONS AND AMENDMENTS . . .** The City has agreed to update information and to provide notices of certain specified events only as described above. The City has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided, except as described above. The City makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell Obligations at any future date. The City disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of its continuing disclosure agreement or from any statement made pursuant to its agreement, although holders of Obligations may seek a writ of mandamus to compel the City to comply with its agreement.

The City's continuing disclosure agreements for the Obligations may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions, as so amended, would have permitted an underwriter to purchase or sell the Obligations in the primary offering of such Obligations in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the registered owners of a majority in aggregate principal amount (or any greater amount required by any other provision of the Ordinance that authorizes such an amendment) of the outstanding Obligations consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized Bond Counsel) determines that such amendment will not materially impair the interest of the registered owners and beneficial owners of such Obligations. The City may also amend or repeal the provisions of the continuing disclosure agreements if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling the Obligations in the primary offering of such Obligations. If the City amends its agreements, it must include with the next financial information and operating data provided in accordance with its agreement described above under "Annual Reports" an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of information and data provided.

**COMPLIANCE WITH PRIOR UNDERTAKINGS . . .** During the last five years the City believes it has complied in all material respects with its previous continuing disclosure undertakings entered into pursuant to SEC Rule 15c2-12.

## **OTHER INFORMATION**

### **RATINGS**

The presently outstanding tax-supported debt of the City is rated by Moody's, Fitch, and S&P. The Bonds and the Notes are rated "Aaa" by Moody's and "AAA" by Fitch, in each case without regard to credit enhancement. An explanation of the significance of such rating may be obtained from the company furnishing the rating. The rating reflects only the respective view of the organization and the City makes no representation as to the appropriateness of the rating. There is no assurance that the rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by the company, if in the judgment of company, circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the market price of the Bonds and Notes.

### **LITIGATION**

It is the opinion of the City Attorney and City Staff that there is no pending or, to its knowledge, threatened litigation or other proceeding against the City that would have a material adverse financial impact upon the City, its operations or its financial statements.

### **REGISTRATION AND QUALIFICATION OF THE OBLIGATIONS FOR SALE**

The sales of the Obligations have not been registered under the Federal Securities Act of 1933, as amended, in reliance upon the exemption provided thereunder by Section 3(a)(2). The Obligations have not been approved or disapproved by the Securities and Exchange Commission, nor has the Securities and Exchange Commission passed upon the accuracy or adequacy of the Official Statement. The Obligations have not been qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Obligations been qualified under the securities acts of any jurisdiction. The City assumes no responsibility for qualification of the Obligations under the securities laws of any jurisdiction in which the Obligations may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for qualification for sale or other disposition of the Obligations shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration provisions.

### **LEGAL INVESTMENTS AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS**

Section 1201.041 of the Public Security Procedures Act (Chapter 1201, Texas Government Code) provides that the Obligations are negotiable instruments governed by Chapter 8, Texas Business and Commerce Code, and are legal and authorized investments for insurance companies, fiduciaries, and trustees, and for the sinking funds of municipalities or other political subdivisions or public agencies of the State of Texas. With respect to investment in the Obligations by municipalities or other political subdivisions or public agencies of the State of Texas, the Public Funds Investment Act, Chapter 2256, Texas Government Code, requires that the Obligations be assigned a rating of "A" or its equivalent as to investment quality by a national rating agency. See "OTHER INFORMATION - Ratings" herein. In addition, various provisions of the Texas Finance Code provide that, subject to a prudent investor standard, the Obligations are legal investments for state banks, savings banks, trust companies with at capital of one million dollars or more, and savings and loan associations. The Obligations are eligible to secure deposits of any public funds of the State, its agencies, and its political subdivisions, and are legal security for those deposits to the extent of their market value. No review by the City has been made of the laws in other states to determine whether the Obligations are legal investments for various institutions in those states.

### **LEGAL OPINIONS**

The City will furnish complete transcripts of proceedings incident to the authorization and issuance of the Obligations, including the unqualified approving legal opinions of the Attorney General of Texas approving the Initial Bond and Initial Note and to the effect that the Obligations are valid and legally binding Obligations of the City, and based upon examination of such transcripts of proceedings, the approving legal opinions of Bond Counsel, to like effect and to the effect that the interest on the Obligations will be excludable from gross income for federal income tax purposes under Section 103(a) of the Code, subject to the matters described under "TAX MATTERS" herein, including the alternative minimum tax on corporations. Bond Counsel was not requested to participate, and did not take part, in the preparation of the Official Statement, and such firm has not assumed any responsibility with respect thereto or undertaken independently to verify any of the information contained therein, except that, in its capacity as Bond Counsel, such firm has reviewed the information under the captions "Plan of Financing" (except under the subcaption "Sources and Uses of Proceeds"), "THE OBLIGATIONS" (exclusive of the subcaptions "Book-Entry-Only System" and "Obligationholders' Remedies"), "TAX MATTERS" and "CONTINUING DISCLOSURE OF INFORMATION" (exclusive of the subcaption "Compliance with Prior Undertakings") and the subcaptions "Legal Opinions" (except for the last sentence of the first paragraph thereof), "Registration and Qualification of the Obligations for Sale," and "Legal Investments and Eligibility to Secure Public Funds in Texas" under the caption "OTHER INFORMATION" in the Official Statement, and such firm is of the opinion that the information relating to the Obligations and the legal issues contained under such captions and subcaptions is an accurate and fair description of the laws and legal issues addressed therein and, with respect to the Obligations, such information conforms to the respective Ordinance.

The legal fee to be paid Bond Counsel for services rendered in connection with the issuance of the Obligations is contingent on the sale and delivery of the Obligations. The legal opinion will accompany the Obligations deposited with DTC or will be printed on the Obligations in the event of the discontinuance of the Book-Entry-Only System. The legal opinion will accompany the Obligations deposited with DTC or will be printed on the Obligations in the event of the discontinuance of the Book-Entry-Only System. Certain legal matters will be passed upon for the Underwriters by Andrews Kurth LLP, Austin, Texas, Counsel to the Underwriters. The legal fees to be paid Counsel to the Underwriters for services rendered in connections with the issuance of the Obligations are contingent on the sale and delivery of the Obligations.

The various legal opinions to be delivered concurrently with the delivery of the Obligations express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal opinion, the attorney does not become an insurer or guarantor of the expression of professional judgment, of the transaction opined upon, or of the future performance of the parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

#### **AUTHENTICITY OF FINANCIAL DATA AND OTHER INFORMATION**

The financial data and other information contained herein have been obtained from City records, audited financial statements and other sources, which are believed to be reliable. There is no guarantee that any of the assumptions or estimates contained herein will be realized. All of the summaries of the statutes, documents and resolutions contained in this Official Statement are made subject to all of the provisions of such statutes, documents and resolutions. These summaries do not purport to be complete statements of such provisions and reference is made to such documents for further information. Reference is made to original documents in all respects.

#### **FINANCIAL ADVISOR**

First Southwest Company, LLC is employed as Financial Advisor to the City in connection with the issuance of the Obligations. The Financial Advisor's fee for services rendered with respect to the sale of the Obligations is contingent upon the issuance and delivery of the Obligations. First Southwest Company, LLC, in its capacity as Financial Advisor, has relied on the opinion of Bond Counsel and has not verified and does not assume any responsibility for the information, covenants and representations contained in any of the legal documents with respect to the federal income tax status of the Obligations, or the possible impact of any present, pending or future actions taken by any legislative or judicial bodies.

The Financial Advisor to the City has provided the following sentence for inclusion in this Official Statement. The Financial Advisor has reviewed the information in this Official Statement in accordance with, and as part of, its responsibilities to the City and, as applicable, to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Financial Advisor does not guarantee the accuracy or completeness of such information.

#### **FORWARD-LOOKING STATEMENTS DISCLAIMER**

The statements contained in this Official Statement, and in any other information provided by the City, that are not purely historical, are forward-looking statements, including statements regarding the City's expectations, hopes, intentions, or strategies regarding the future. Readers should not place undue reliance on forward-looking statements. All forward-looking statements included in this Official Statement are based on information available to the City on the date hereof, and the City assumes no obligation to update any such forward-looking statements. The City's actual results could differ materially from those discussed in such forward-looking statements.

The forward-looking statements included herein are necessarily based on various assumptions and estimates and are inherently subject to various risks and uncertainties, including risks and uncertainties relating to the possible invalidity of the underlying assumptions and estimates and possible changes or developments in social, economic, business, industry, market, legal, and regulatory circumstances and conditions and actions taken or omitted to be taken by third parties, including customers, suppliers, business partners and competitors, and legislative, judicial, and other governmental authorities and officials. Assumptions related to the foregoing involve judgments with respect to, among other things, future economic, competitive, and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond the control of the City. Any of such assumptions could be inaccurate and, therefore, there can be no assurance that the forward-looking statements included in this Official Statement will prove to be accurate.

#### **VERIFICATION OF ARITHMETICAL AND MATHEMATICAL COMPUTATIONS**

Grant Thornton LLP, a firm of independent public accountants, will deliver to the City, on or before the settlement date of the Obligations, its verification report indicating that it has verified, in accordance with attestation standards established by the American Institute of Certified Public Accountants, the mathematical accuracy of (a) the mathematical computations of adequacy of the cash and the maturing principal and interest on the Escrowed Securities, to pay, when due, the maturing principal of, interest on and related call premium requirements, if any, of the Refunded Obligations and (b) the mathematical computations of yield used by Bond Counsel to support its opinions that interest on the Obligations will be excludable from gross income for

federal tax purposes. Such verification will be relied upon by Bond Counsel in rendering its opinions with respect to the exclusion from gross income of interest on the Obligations for federal income tax purposes and with respect to defeasance of the Refunded Obligations.

The verification performed by Grant Thornton LLP will be solely based upon data, information and documents provided to Grant Thornton LLP by First Southwest Company on behalf of the City. Grant Thornton LLP has restricted its procedures to recalculating the computations provided by First Southwest Company on behalf of the City and has not evaluated or examined the assumptions or information used in the computations.

#### **UNDERWRITING**

The Underwriters have agreed, subject to certain conditions, to purchase the Bonds from the City, at an underwriting discount of \$329,106.19. The Underwriters will be obligated to purchase all of the Bonds if any Bonds are purchased. The Bonds to be offered to the public may be offered and sold to certain dealers (including the Underwriters and other dealers depositing Bonds into investment trusts) at prices lower than the public offering prices of such Bonds, and such public offering prices may be changed, from time to time, by the Underwriters.

The Underwriters have agreed, subject to certain conditions, to purchase the Notes from the City, at an underwriting discount of \$24,057.58. The Underwriters will be obligated to purchase all of the Notes if any Notes are purchased. The Notes to be offered to the public may be offered and sold to certain dealers (including the Underwriters and other dealers depositing Notes into investment trusts) at prices lower than the public offering prices of such Notes, and such public offering prices may be changed, from time to time, by the Underwriters.

The Underwriters have provided the following sentence for inclusion in this Official Statement. The Underwriters have reviewed the information in this Official Statement in accordance with, and as part of, their respective responsibilities to investors under federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriters do not guarantee the accuracy or completeness of the information.

One of the Underwriters of the Obligations is BOSCO, Inc., which is not a bank, and the Obligations are not deposits of any bank and are not insured by the Federal Deposit Insurance Corporation.

#### **MISCELLANEOUS**

The financial data and other information contained herein have been obtained from the City's records, audited financial statements and other sources which are believed to be reliable. There is no guarantee that any of the assumptions or estimates contained herein will be realized. All of the summaries of the statutes, documents and resolutions contained in this Official Statement are made subject to all of the provisions of such statutes, documents and resolutions. These summaries do not purport to be complete statements of such provisions and reference is made to such documents for further information. Reference is made to original documents in all respects.

The Pricing Certificates approved the form and content of this Official Statement, and any addenda, supplement or amendment thereto, and authorized its further use in the offering of the Obligations by the Underwriters.
