## You can help your doctor understand your plan

It's easy to receive covered care from your doctor under your Medicare Advantage Preferred Provider Plan (PPO/ESA). Just show your Aetna Medicare ID card. You can get care even from doctors that are not part of our network.

### How our plan works for you and your doctor

You can see any doctor that participates with Original Medicare, even if they are not in our network. You will pay the same amount, in or out of network.

Cut out the handy card below. Show your doctor the card and flyer included with this letter before getting care. The flyer will help them learn more about working with us.

Aetna Medicare is a Medicare Advantage organization with a Medicare contract. Plans are offered by Aetna Health Inc., Aetna Health of California Inc., and/or Aetna Life Insurance Company (Aetna). Not all health services are covered. See plan documents for a complete description of benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by location. Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.
