Interactive Science

Get the electricity moving at the **Electric Adventures** exhibit at Haggard and find out what telescopes, kaleidoscopes and microscopes all have in common at the **Optical Adventures** exhibit at Harrington.

These travelling exhibits are featured in the libraries in partnership with the Contact Science program at the Science and Engineering Education Center at The University of Texas at Dallas.

Scanners

Learn about using portable scanning machines (flat bed and sheet-fed) along with Optical Character Recognition technology for typed

documents to make their digital versions searchable. This class will help you digitize photographs and documentation. Presented by Michael Bassett.

August 14, 1-2:30pm
Haggard Library (basement level)

In and Out of The Box: a new way of thinking for your genealogical research

Did you look IN the box before thinking outside of it? Timesaving tips for better results.

August 17, 10:30-noon
Haggard Library (basement level)

Job Search Class

Looking for Work? This class will help! Learn about resources that are available online and in the library to find job openings, using email to give a great first impression, and how to prepare for an interview.
