Making a Reel Difference: "Play Again" Screening

Join us for the May screening of "Play Again" at 6:30 p.m. on Monday, May 9. Studio Movie Grill in Plano, in partnership with the City of Plano's Live Green in Plano educational programs and services, shows a different family-friendly film each month during the Green Screen Film Series.

At a time when children play more behind screens than outside, "Play Again" unplugs a group of media savvy teens and takes them on their first wilderness adventure, documenting the wonder which comes from time spent in nature. Rated PG, view the trailer and see information about the film-makers at the movie's website: playagainfilm.com.

The Green Screen Film Series includes movies which focus on a wide variety of sustainability topics. Enjoy a different movie and a different topic on the second Monday of each month at 6:30 p.m. at Studio Movie Grill located at 4721 W. Park Blvd. in Plano. Be entertained, be inspired, be green!

Tickets are available for \$5 at the box office at Studio Movie Grill or online for \$6 at studiomoviegrill.com. For additional information about upcoming movie events and sustainability programs, visit livegreeninplano.com.
