City of Plano Winter Weather Update

Road conditions in Plano continue to deteriorate. As of 7:45 A.M. there have been eight traffic accidents. The City's Public Works Department identifies problem areas as U.S. 75 at Plano Parkway and U.S. 75 at 15th Street. They're urging drivers to stay off of U.S. 75, if possible. Most of the accidents so far have occurred on the expressway. There are currently eight sanding trucks out, treating all the usual problem areas. If conditions worsen, more trucks will be added.

There will be no residential trash pickup today, due to hazardous road conditions.
