## Emergency Repairs begin Monday at Plano Intersection

The intersection of Ohio Drive and Rasor Boulevard will be closed for emergency repairs due to a water main leak. The water main is located in the center of the intersection, underneath an 84" storm water sewer. Construction is scheduled to begin Monday, April 8. The intersection will be closed for the duration of the repair. All traffic approaching the intersection will be required to turn right. The City is aware this is a frequently-used intersection. We're urging drivers to look for alternate routes.

Construction is scheduled to start Monday, weather permitting.
