PLANO POLICE HOST FREE ACTIVE SHOOTER TRAINING FOR THE PUBLIC

Active shooter/active attack incidents are increasing across the United States and the public safety professionals at the City of Plano continue to educate citizens on what to do should they ever find themselves in an active attack situation. Plano's Police, Fire-Rescue, Public Safety Communications, and Emergency Management Departments will again provide Active Shooter Preparedness & Bleeding Control Training.

This event will be held on August 13, 2019 from 7:00 p.m. to 9:30 p.m. at the Plano Event Center (2000 East Spring Creek Parkway).

Designed to empower the public to respond to and survive active shooter incidents, training participants will receive instruction on what to do should they ever find themselves in an active shooter incident and how to utilize the "Run, Hide, Fight" strategies. Participants will also learn how to control life-threatening bleeding. Training and educating the public on active shooter response is a critical component of preparing the entire community and reducing the loss of life when an active shooter attacks.

Registration is FREE, but you must sign up at <http://bit.ly/31nQpgL>
