Incident # 20-31020

## Fatal Hit & Run Crash

On February 15, 2020 at approximately 7:45 p.m., Officers responded to a hit and run traffic crash in the 2700 block of 14<sup>th</sup> Street.

It was determined that a subject was backing out of a driveway at this location and stopped due to an oncoming vehicle. A pedestrian walking down the sidewalk went around the vehicle and had to walk into the street to get around when another vehicle was traveling on the roadway struck the pedestrian.

The driver of that vehicle stopped momentarily, a passenger exited the vehicle and then fled on foot from the crash scene. The driver of the vehicle then fled the scene without stopping to check on or render aid to the pedestrian. The victim was transported by Plano Fire-Rescue personnel to a local hospital where he was pronounced deceased.

The suspect vehicle is described as a dark-colored, possibly blue Sport Utility Vehicle. The passenger that fled the location was described as male, but no information was available on the driver.

Crime Stoppers is offering a reward for any information that leads to the arrest and indictment in this case. Tipsters can remain anonymous and are eligible for a reward of up to \$5,000.

This investigation remains on-going.
