School Name: Andrews Elementary School

Address: 2520 Scenic Drive, 75025

Contact: Assistant Principal Jana Sandall, jana.sandall@pisd.edu or (469) 752-3911

Requested Project Date Range: During the school day is preferred. May 9-13 are unavailable due to state testing.

Estimated Project Time: Depends on the projects to be completed. Just painting games would likely be 10 – 15 volunteers over 4 hours. The suggestion would be to have games pressure washed the day before so the area is dry. If the group will also include the purchase and “installation” of mulch, this project could easily be for 30+ volunteers over 4 hours. Installation of sod could add more volunteers and time.

Request Details:

1. Playground 1
   a. Adhesive stickers for hopscotch and caterpillar ABCs
      i. We have not located a local vendor for these stickers. If order from UK vendor, might not arrive in time and unsure on application process.
      ii. Suggest leaving as is, or power washing and replacing, but a stencil would be needed to paint new games.
   b. Repainting hopscotch
      i. Estimate 1 quart white and 1 quart red paint (Valspar Duramax recommended)
   c. Re-mulch playground area
      i. Need enough mulch for 1,500 sq feet of play space
      ii. Cost and recommended vendor are unknown.

2. Playground 2
   a. Remove hopscotch stickers and repaint
      i. Estimate 5 quarts of different colors (Valspar Duramax recommended)
   b. Remove Four Square (2 games) and repaint
      i. Estimate 1 quart of one color (Valspar Duramax recommended)
   c. Remulch playground area
      i. Need enough mulch for 1,500 sq feet of play space
   d. Repaint basketball hoop court lines (3 courts)
      i. Estimate 1 quart of one color (Valspar Duramax recommended)

3. Playground 3
   a. Remove hopscotch stickers and repaint
      i. Estimate 5 quarts of different colors (Valspar Duramax recommended)

4. Re-sod front of school – approximately 34,000 sq ft (could be between $34,000 to $68,000)
   a. This is a “dream” request. If even just some can be re-sodded that would be great.
