School Name: Bethany Elementary School

Address: 2418 Micarta Dr., Plano, 75025

Contact: Principal Bryan Bird, bryan.bird@pisd.edu or (469) 752-0300

Requested Project Date Range: No dates specified. The week of May 9 - 13 is not available due to state testing.

Estimated Project Time: The project will take about 6 volunteers 3 hours to add compost, plant, and mulch.

Request Details:
1. Planting flowers around marquee sign
   a. Add compost to soil when planting (need approx. 4 bags)
   b. Add mulch after planting (need approx. 4 bags)
   c. Suggested plants:
      i. Red Yucca on sides of sign (total of 2)
      ii. Pink skullcap around edges of circle on front and back of sign (total of 14)
      iii. Salvia greggi close to sign and behind skullcap (total of 8)

Tools Needed:
- Garden gloves
- Shovels

What to wear and bring: All volunteers must wear sturdy closed toed shoes. Please dress weather appropriate, and since this activity is completely outdoors please wear: a hat, bug spray, and sunscreen. Please be sure to bring drinking water in a reusable bottle and a snack, if needed.

Caring About Learning - Learning About Caring

Map of Bethany Elementary School area
• They would like an oval bed surrounding the sign; measuring out approximately 5’ from the front and back and 4’ from the sides. That was about the size of the previous flowerbed, you can see the outline in the grass.
• Would like a brick border around the bed.
• Would like a raised bed, so dirt will need to be brought in, as well as mulch.
• Bed is not independently irrigated. Lawn most likely is. The flowerbed did well there in the past.
• They were very open to suggestion on plant material. We discussed a stepped bed (a bit taller in the back / shorter in the front).
• They’d like to compliment the brick color of the sign and school.
• Suggestions mentioned were: monkey grass / liriope, lantana, dwarf nandina (red), red salvia (perennial).
• They are looking for perennial, easy to care for plants.
