Flower / Shrub beds

Both beds are the same size / dimensions.

Approx. 31.5'
Flower / Shrub beds

- School colors are maroon and gold.
- Full sun.
- Irrigated.
- Ornamental trees have not done well in these beds.
- No specific shrubs / plants requested.
- Would like something that does not have pigmented leaves (e.g. rose petals) as these are being used to ‘draw’ on the flowerbed borders.
- Open to hardscaping ideas.
- Would look best if beds mirrored each other.
