

2017 RESULTS

TEXAS RECYCLES DAY

A DRIVE THROUGH DROP OFF EVENT

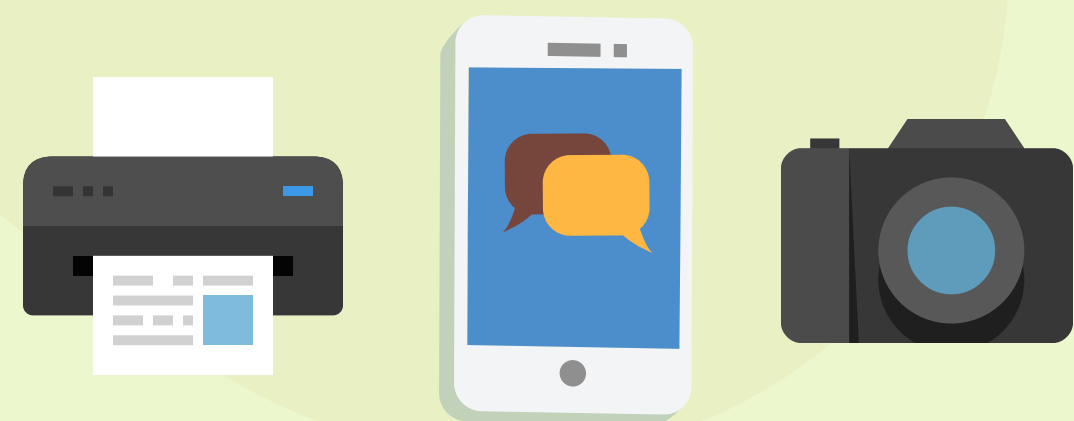

On November 11, over 800 residents participated by donating household items to our partnering community and non-profit organizations. These donations will benefit thousands of people as they are reused and recycled and ultimately stay out of our landfill.

In 3 hours, **68,489 pounds** of items were collected for reuse and recycling!

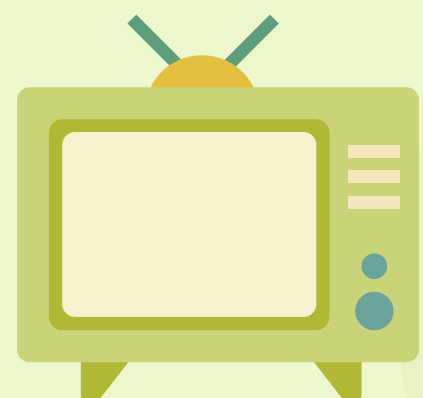

20,000 POUNDS

of documents were shredded and recycled, saving 170 trees.

22,493 POUNDS

of electronics were recycled and kept from the landfill.

15,500 POUNDS

of textiles and housewares were collected for reuse.

Enough dresses were collected for

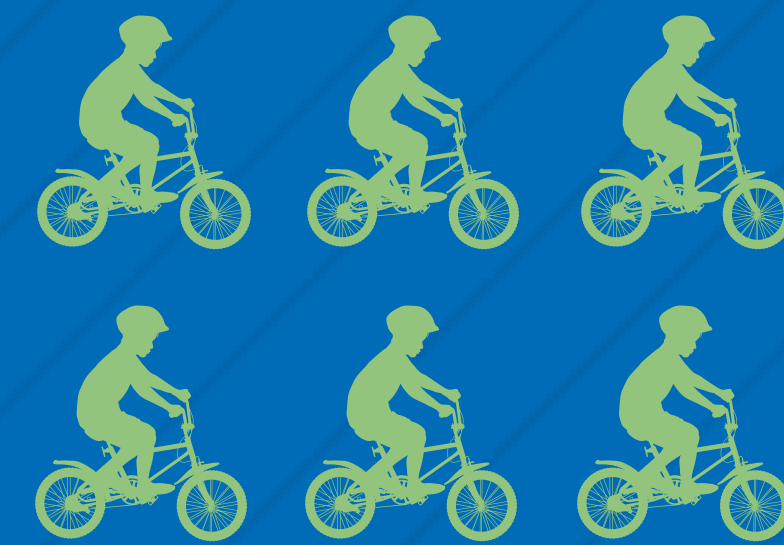

118

girls to attend their proms, dressed to the nines.

Hundreds of sporting good items were collected to get kids off the streets and into organized sports. Medical equipment was collected to get uninsured people out of hospitals and back to their families and jobs.

103

bicycles were donated to be refurbished and given to homeless individuals and deserving children.

Collected enough yarn to knit hats for 800 chemotherapy patients.

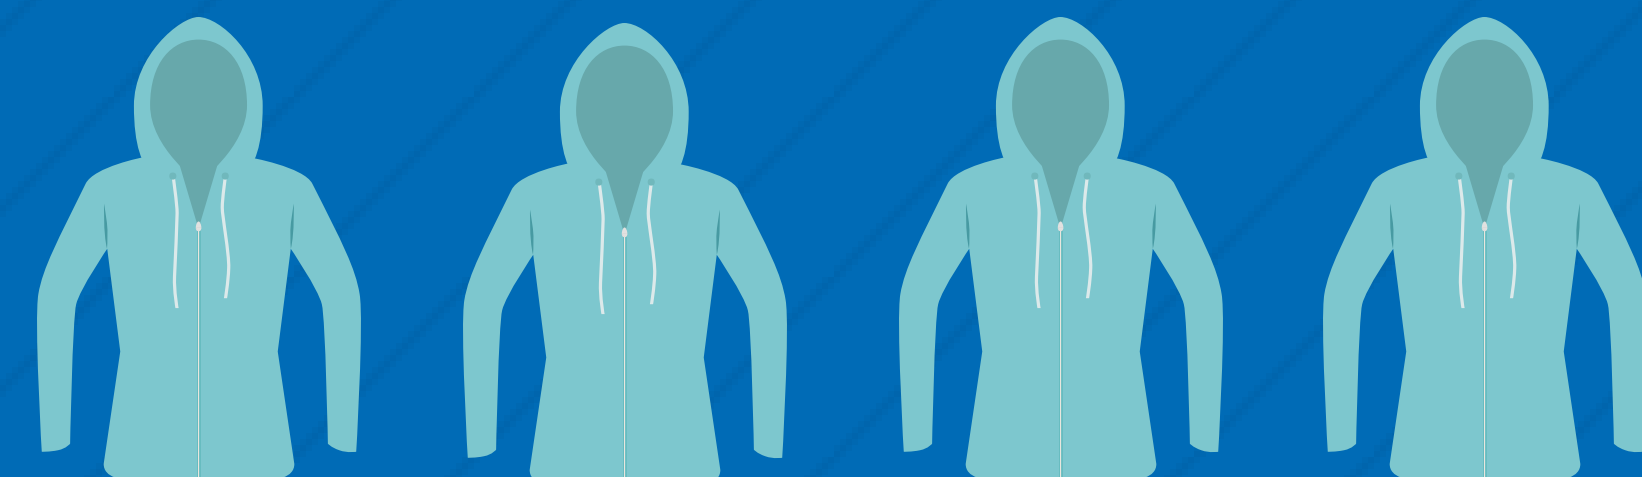

800

183

homeless people will be warmer this winter with the coats collected.

Mark your calendar for November 10, 2018. Be a part of something great. Bring your used items to this one stop, drop-off event where your donations can make a difference in our communities.
