TEXAS RECYCLES DAY

A DRIVE THROUGH DROP OFF EVENT

On November 10, hundreds of residents participated by donating household items to our partnering community and non-profit organizations. These donations will benefit thousands of people as they are reused and recycled and ultimately stay out of our landfill.

In 3 hours, **69,454 pounds** of items were collected for reuse and recycling!

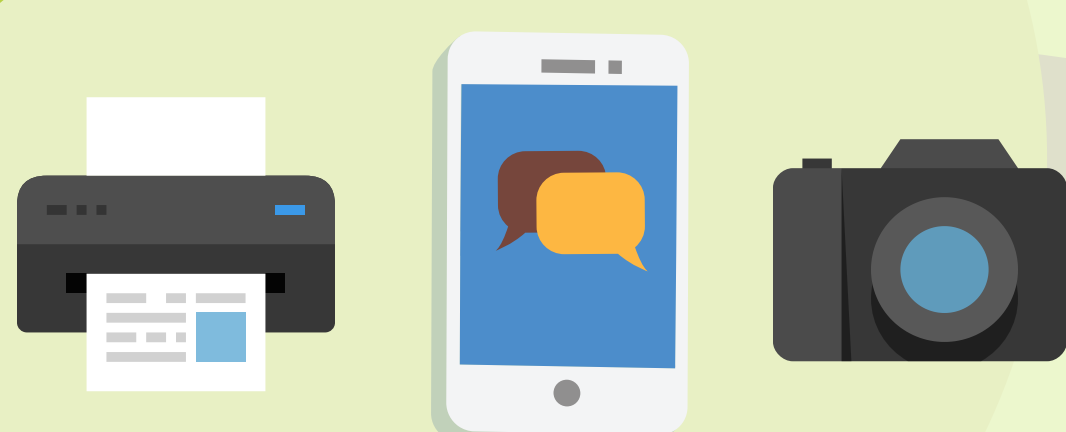

17,000 POUNDS

of documents were shredded and recycled.

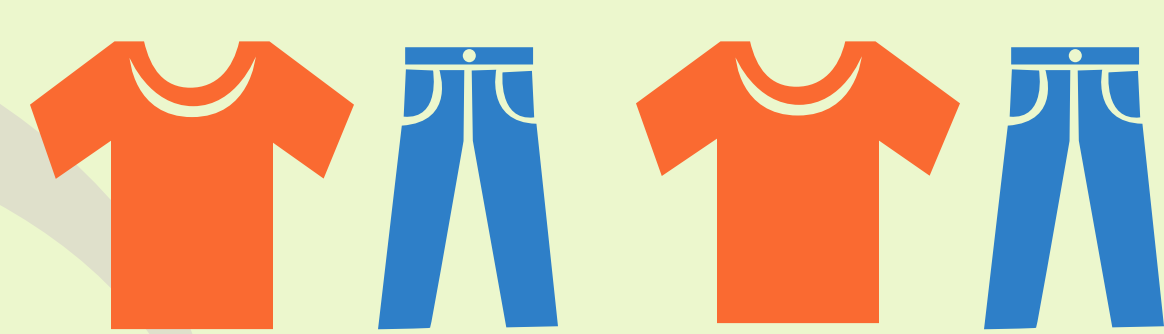

18,000 POUNDS

of electronics were recycled and kept from the landfill.

23,092 POUNDS

of textiles and housewares were collected for reuse.

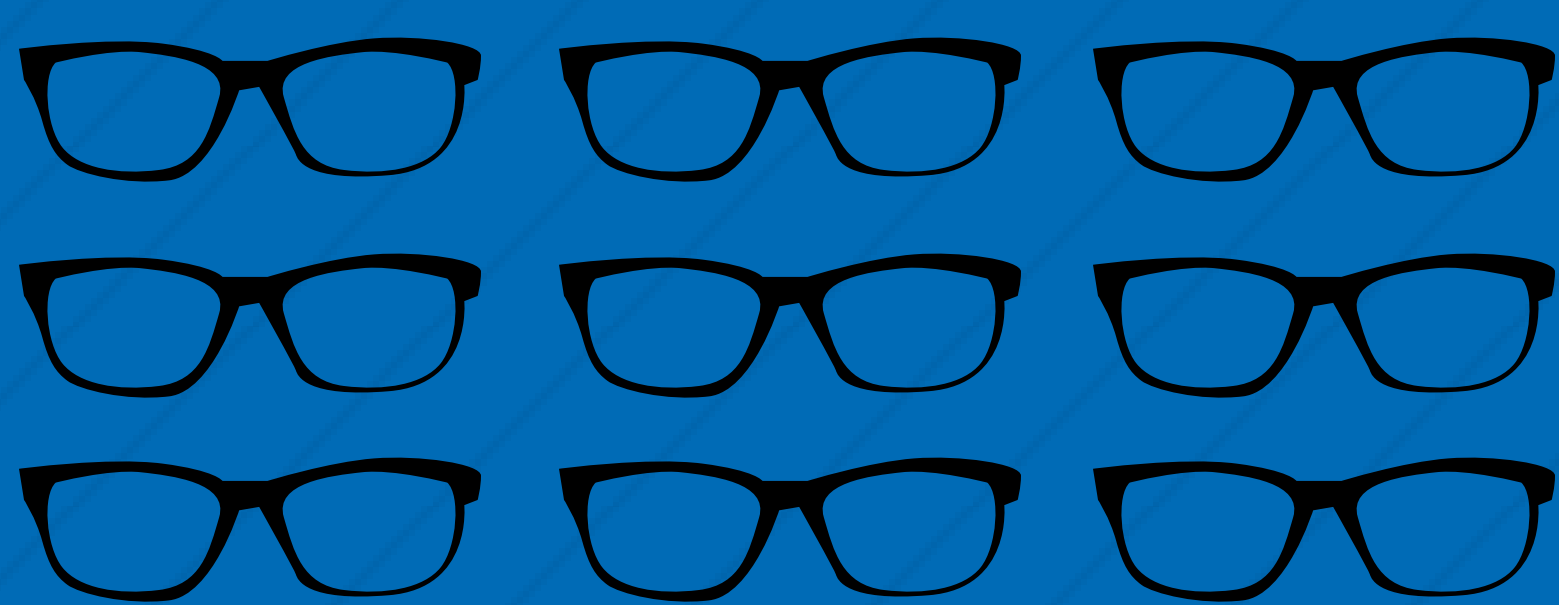

11,362 POUNDS

of additional donations were diverted from the landfill.

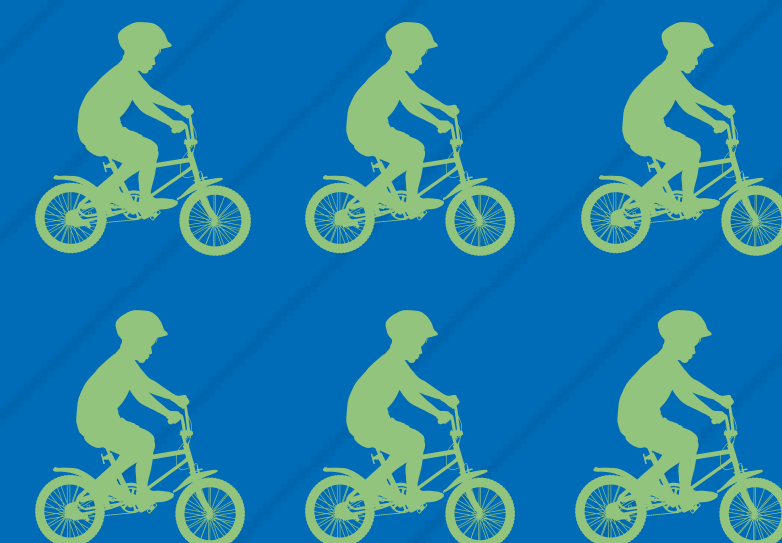

434

pairs of glasses were donated to the Lion's Club

Hundreds of sporting good items were collected to get kids off the streets and into organized sports. Medical equipment was collected to get uninsured people out of hospitals and back to their families and jobs.

165

bicycles were donated to Bikes for Tykes to be refurbished and given to homeless individuals and deserving children.

147
