

ARE YOU THE NUTTIEST NEIGHBORHOOD?

Partner with the City of Plano to help the North Texas Food Bank (NTFB) reach their goal of 100,000 pounds of peanut butter this year!

HERE'S THE SCOOP:

For the past several years, the City of Plano and its residents have been donating generously towards the NTFB's peanut butter drive. To add a level of "friendly competition" to the drive and hopefully increase the overall collection, the BEST Neighborhoods Division has developed the Nuttiest Neighborhood Award - an award given to the neighborhood that has collected the most pounds per household.

RULES AND ELIGIBILITY:

- Neighborhoods must be registered with the BEST Neighborhoods Division
- Register with NTFB
- Collect peanut butter only during the month of September (Sept 1 - Sept 30, 2019)
- Collect and deliver peanut butter to NTFB (be sure to take a photo of your group with the collection, and pick up a receipt with the total pounds of peanut butter collected.
- Submit the entry form by Oct 4.
