QUALIFICATION TABULATION STATEMENT

All bids qualifications for the designated project are reflected on this Tabulation. However, the listing on this sheet should not be construed as a comment on the responsiveness of such qualification or any indication that the City accepts such qualification as responsive. The City will make a determination as to the responsiveness of qualifications submitted based upon compliance with all applicable laws, City procurement guidelines, and project documents, including but not limited to the project specifications and contract documents. The City will notify the successful bidder upon award of the contract and, according to law; all qualifications received will be available for inspection at that time.
