WHEREAS, COVID-19 spreads between people who are in close contact with one another through respiratory droplets produced when an infected person coughs or sneezes; and

WHEREAS, the identification of "community spread" cases of COVID-19 in the region could potentially signal that transmission of the virus may no longer be limited to travel to outbreak areas or contact with travelers who have visited outbreak areas, and

WHEREAS, on March 16, 2020, Collin County declared a local disaster for public health emergency and issued an accompanying order; and

WHEREAS, on March 16, 2020, Mayor Harry LaRosiliere issued a declaration of disaster for public health emergency for the City of Plano for a period of seven (7) days; and

WHEREAS, the conditions necessitating declaration of a state of disaster continue to exist and are anticipated to continue to exist at least until April 27, 2020; and

WHEREAS, §418.108(b) of the Texas Government Code provides that a local state of disaster may not be continued for a period in excess of seven days without the consent of the governing body of the political subdivision; and

SECTION II. The City Council hereby finds that while in a state of disaster, there is a public purpose in maintaining the City workforce and ensuring continuity in staffing while continuing the City's services but recognizing that certain facilities and/or operations may need to be temporarily closed or suspended and/or certain personnel may encounter disaster related events that prevent them from working at full capacity intermittently during the public health emergency. The City Council hereby authorizes the City Manager to make any staffing and compensation related decisions necessary to adapt to the rapidly changing environment created by the public health emergency to meet the objectives stated herein and

ORDINANCE NO. 2020-3-4

The City Council hereby finds that for the duration of this disaster declaration, immediate procurement may be necessary to preserve and protect public health and safety, and authorizes the City Manager to purchase goods or services as necessary for ratification by the City Council at a later date as long as the procurement is in compliance with state law requirements.

SECTION IV. The City Council hereby finds that a public necessity exists to authorize the City Manager during the duration of this disaster to determine whether it is difficult for a quorum of the members of decision making boards of the City to meet in person based on public health and safety concerns related to the pandemic. If such a determination is made, decision making boards will be authorized to conduct their public meetings via telephone conference pursuant to Texas Government Code Section 551.125(b).

WHEREAS, the City of Plano, Texas (the “City”) currently has outstanding obligations of the City of the following issues or series (hereinafter collectively called the “Refunded Obligations”), to wit:

(a) "City of Plano, Texas, General Obligation Refunding and Improvement Bonds, Series 2010", dated January 15, 2010; and

(b) "City of Plano, Texas, Combination Tax and Revenue Certificates of Obligation, Series 2010", dated January 15, 2010; and

WHEREAS, the City shall by this Ordinance, in accordance with the provisions of Section 1207.007, Texas Government Code, as amended, delegate to a Pricing Officer (hereinafter designated) the authority to determine the principal amount and certain other specified terms of the Bonds to be issued, negotiate the terms of sale thereof and select the specific maturities, in whole or in part, of the Refunded Obligations to be refunded; and

ORDINANCE NO. 2020-3-7

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF PLANO:

SECTION I. Authorization - Series Designation - Principal Amount - Purpose - Bond Date. General obligation refunding and improvement bonds of the City shall be and are hereby authorized to be issued in the maximum aggregate principal amount hereinafter set forth to be designated and bear the title "CITY OF PLANO, TEXAS, GENERAL OBLIGATION REFUNDING AND IMPROVEMENT BONDS, SERIES 2020", or such other designation as specified in the Pricing Certificate (herein referred to as the "Bonds"), for the purpose of providing funds for the discharge and final payment of certain obligations of the City (described in the preamble hereof and finally identified in the Pricing Certificate and referred to herein as the "Refunded Obligations"), to make various permanent public improvements for the City and to pay the costs and expenses of issuance, in accordance with the authority conferred by and in conformity with the Constitution and laws of the State of Texas, including Chapters 1207, 1331 and 1371 of the Texas Government Code. The Bonds shall be dated (the "Bond Date") as provided in the Pricing Certificate.

SECTION II. Fully Registered Obligations – Terms. The Bonds shall be issued as fully registered obligations, and (other than the Initial Bond referenced in Section VIII hereof) shall be in denominations of \$5,000 or any integral multiple (within a Stated Maturity) thereof, shall be lettered "R" and numbered consecutively from one (1) upward and principal shall become due and payable on a date certain in each of the years and in amounts (the "Stated Maturities") in accordance with the details of the Bonds as set forth in the Pricing Certificate.

The Bonds shall bear interest on the unpaid principal amounts from the date specified in the Pricing Certificate at the rate(s) per annum shown in the Pricing Certificate (calculated on the basis of a 360-day year consisting of twelve 30-day months). Interest on the Bonds shall be payable in each year, on the dates, and commencing on the date, set forth in the Pricing Certificate.

SECTION III. Delegation of Authority to Pricing Officer.

(a) As authorized by Section 1207.007 and Section 1371.053, Texas Government Code, as amended, the City Manager or the Director of Finance of the City (either, the "Pricing Officer") is hereby authorized to act on behalf of the City in selling and delivering the Bonds and carrying out the other procedures specified in this Ordinance, including determining the purposes and amounts of the Bonds to be issued to fund public improvements authorized at the Elections, the selection of the specific maturities or series, in whole or in part, of the Refunded Obligations to be refunded, determining the aggregate principal amount of the Bonds, the date of the Bonds, any additional or different designation or title by which the Bonds shall be known, the price at which the Bonds will be sold, the manner of sale (negotiated, privately placed or competitively bid), the years in which the Bonds will mature, the principal amount to mature in each of such years, the rate of interest to be borne by each such maturity, the date from which interest on the Bonds will accrue, the interest payment dates, the record date, the price and terms upon and at which the Bonds shall be subject to redemption prior to maturity at the option of the City, as well as any mandatory sinking fund redemption provisions, determination of the use of a book-entry-only securities clearance, settlement and transfer system, the designation of a paying agent/registrar, the designation of an escrow agent satisfying the requirements of Chapter 1207, the terms of any bond insurance applicable to the Bonds, including any modification of the continuing disclosure undertaking contained in Section XXXI hereof as may be required by the purchasers of the Bonds in connection with any amendments to Rule 15c2-12, and all other

ORDINANCE NO. 2020-3-7

matters relating to the issuance, sale and delivery of the Bonds, all of which shall be specified in the Pricing Certificate, provided that:

- (i) the aggregate original principal amount of the Bonds shall not exceed \$81,265,000;
- (ii) the refunding must produce a net present value debt service savings of at least 3.00%, net of any City contribution;
- (iii) the maximum true interest cost for the Bonds shall not exceed 3.75%;
- (iv) the maximum maturity date of the Bonds shall not exceed September 1, 2040.

The execution of the Pricing Certificate shall evidence the sale date of the Bonds by the City to the Purchasers (hereinafter defined).

If the Pricing Officer determines that bond insurance results in a net reduction of the City's interest costs associated with the Bonds, then the Pricing Officer is authorized, in connection with effecting the sale of the Bonds, to make the selection of the municipal bond insurance company for the Bonds (the "Insurer") and to obtain from the Insurer a municipal bond insurance policy in support of the Bonds. The Pricing Officer shall have the authority to determine the provisions of the commitment for any such policy and to execute any documents to effect the issuance of said policy by the Insurer.

(b) In establishing the aggregate principal amount of the Bonds, the Pricing Officer shall establish an amount not exceeding the amount authorized in subsection (a)(i) above, which shall be sufficient in amount to provide for the purposes for which the Bonds are authorized and to pay costs of issuing the Bonds. The delegation made hereby shall expire if not exercised by the Pricing Officer within one (1) year of the date hereof. The Bonds shall be sold to the purchaser(s)/underwriter(s) named in the Pricing Certificate (the "Purchasers"), at such price and with and subject to such terms as set forth in the Pricing Certificate and the Purchase Contract (hereinafter defined), and may be sold by negotiated or competitive sale or by private placement. The Pricing Officer is hereby delegated the authority to designate the Purchasers, which delegation shall be evidenced by the execution of the Pricing Certificate.

SECTION IV. Terms of Payment - Paying Agent/Registrar. The principal of, premium, if any, and the interest on the Bonds, due and payable by reason of maturity, redemption or otherwise, shall be payable only to the registered owners or holders of the Bonds (hereinafter called the "Holders") appearing on the registration and transfer books maintained by the Paying Agent/Registrar, and the payment thereof shall be in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, and shall be without exchange or collection charges to the Holders.

The selection and appointment of the Paying Agent/Registrar for the Bonds shall be as provided in the Pricing Certificate. Books and records relating to the registration, payment, exchange and transfer of the Bonds (the "Security Register") shall at all times be kept and maintained on behalf of the City by the Paying Agent/Registrar, all as provided herein, in accordance with the terms and provisions of a "Paying Agent/Registrar Agreement," substantially in the form attached hereto as **Exhibit A** and such reasonable rules and regulations as the Paying Agent/Registrar and the

ORDINANCE NO. 2020-3-7

City may prescribe. The Pricing Officer or the Mayor and City Secretary are hereby authorized to execute and deliver such Paying Agent/Registrar Agreement in connection with the delivery of the Bonds. The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a commercial bank, trust company, financial institution, or other entity qualified and authorized to serve in such capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause a written notice thereof to be sent to each Holder by United States mail, first class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

The Bonds shall be payable at their Stated Maturities or upon their earlier redemption, only upon the presentation and surrender of the Bonds to the Paying Agent/Registrar at its designated offices provided in the Pricing Certificate (the "Designated Payment/Transfer Office"); provided, however, while a Bond is registered to Cede & Co., the payment thereof upon a partial redemption of the principal amount thereof may be accomplished without presentation and surrender of such Bond. Interest on a Bond shall be paid by the Paying Agent/Registrar to the Holders whose names appears in the Security Register at the close of business on the Record Date (which shall be set forth in the Pricing Certificate) and such interest payments shall be made (i) by check sent by United States mail, first class postage prepaid, to the address of the Holder recorded in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder. If the date for the payment of the principal or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to be closed, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to be closed; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a non-payment of interest on one or more maturities of the Bonds on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such past due interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Holder of the Bonds appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION V. Registration - Transfer - Exchange of Bonds - Predecessor Bonds. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each and every Holder of the Bonds issued under and pursuant to the provisions of this Ordinance, or if appropriate, the nominee thereof. Any Bond may be transferred or exchanged for Bonds of like kind, maturity, and amount and in authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Paying Agent/Registrar at its Designated Payment/Transfer Office for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for assignment or transfer of any Bond (other than the Initial Bond authorized in Section VIII hereof) for transfer at the Designated Payment/Transfer Office of the Paying

ORDINANCE NO. 2020-3-7

Agent/Registrar, one or more new Bonds, executed on behalf of and furnished by the City, shall be registered and issued to the assignee or transferee of the previous Holder; such Bonds to be of authorized denominations, of like Stated Maturity, and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds (other than the Initial Bond authorized in Section VIII hereof) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds, executed on behalf of and furnished by the City, to the Holder requesting the exchange.

All Bonds issued upon any such transfer or exchange of Bonds shall be delivered to the Holders at the Designated Payment/Transfer Office of the Paying Agent/Registrar or sent by United States mail, first class postage prepaid, to the Holders, and, upon the registration and delivery thereof, the same shall be the valid obligations of the City, evidencing the same obligation to pay and entitled to the same benefits under this Ordinance, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds cancelled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the new Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered, and delivered in lieu thereof pursuant to the provisions of Section XI hereof, and such new replacement Bond shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption, in whole or in part, within forty-five (45) days of the date fixed for the redemption of such Bond; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

SECTION VI. Book-Entry-Only Transfers and Transactions. Notwithstanding the provisions contained in Sections IV and V hereof relating to the payment and transfer/exchange of the Bonds, the City hereby approves and authorizes the use of "Book-Entry-Only" securities clearance, settlement, and transfer system provided by The Depository Trust Company, a limited purpose trust company organized under the laws of the State of New York ("DTC"), in accordance with the requirements and procedures identified in the current DTC Operational Arrangements memorandum, as amended, the Blanket Issuer Letter of Representations, by and between the City and DTC, and the Letter of Representations from the Paying Agent/Registrar to DTC (collectively, the "Depository Agreement") relating to the Bonds.

ORDINANCE NO. 2020-3-7

In the event the Pricing Officer elects to utilize DTC's "Book-Entry-Only" System, which election shall be made by the Pricing Officer in the Pricing Certificate, pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC who shall hold said Bonds for its participants (the "DTC Participants"). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or the City determines that DTC is incapable of properly discharging its duties as securities depository for the Bonds, the City covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Bonds shall be made in accordance with the provisions of Sections IV and V hereof.

SECTION VII. Execution - Registration. The Bonds shall be executed on behalf of the City by the Mayor under the City's seal reproduced or impressed thereon and attested by the City Secretary. The signature of said officials on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officials of the City on the date of the adoption of this Ordinance shall be deemed to be duly executed on behalf of the City, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in Chapter 1201 of the Texas Government Code, as amended.

No Bond shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section IX(c), manually executed by the Comptroller of Public Accounts of the State of Texas, or his or her duly authorized agent, or a certificate of registration substantially in the form provided in Section IX(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate duly signed upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered, and delivered.

SECTION VIII. Initial Bond. The Bonds herein authorized shall be initially issued as fully registered Bonds as specified in the Pricing Certificate, being a single, fully registered Bond in the aggregate principal amount noted and principal installments to become due and payable as provided in the Pricing Certificate and numbered T-1, (hereinafter called the "Initial Bond") and the Initial Bond shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Bond shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond, the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bond delivered hereunder and exchange therefor definitive Bonds of like kind and of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from

ORDINANCE NO. 2020-3-7

the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION IX. Forms.

(a) Forms Generally. The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Bonds, shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and, with the Bonds to be completed and modified with the information set forth in the Pricing Certificate, may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends on insured Bonds and any reproduction of an opinion of counsel) thereon as may, consistently herewith, be established by the City or determined by the Pricing Officer. The Pricing Certificate shall set forth the final and controlling forms and terms of the Bonds. Any portion of the text of any Bonds may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

The definitive Bonds and the Initial Bond shall be printed, lithographed, engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing such Bonds as evidenced by their execution thereof.

(b) Form of Definitive Bonds.

If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due. All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

This Bond is one of the series specified in its title issued in the aggregate principal amount of \$_____ (herein referred to as the "Bonds") for the purpose of providing funds for the discharge and final payment of certain outstanding obligations of the City, to make various permanent public improvements for the City and to pay the costs and expenses of issuance, under and in strict conformity with the Constitution and laws of the State of Texas, including Chapters 1207, 1331 and 1371 of the Texas Government Code, as amended, and pursuant to an Ordinance adopted by the City Council of the City (herein referred to as the "Ordinance").

ORDINANCE NO. 2020-3-7

may be reduced, at the option of the City, by the principal amount of Term Bonds of like Stated Maturity which, at least fifty (50) days prior to a mandatory redemption date, (1) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation or (2) shall have been redeemed pursuant to the optional redemption provisions appearing below and not theretofore credited against a mandatory redemption requirement.]

The Bonds maturing on and after _____, 20__, may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on _____, 20__, or on any date thereafter, at the redemption price of par, together with accrued interest to the date of redemption.

At least thirty (30) days prior to the date fixed for any redemption of Bonds, the City shall cause a written notice of such redemption to be sent by United States mail, first class postage prepaid, to the registered owners of each Bond to be redeemed, in whole or in part, at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Ordinance. If a Bond (or any portion of its principal sum) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date such Bond (or the portion of its principal sum to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor; provided moneys for the payment of the redemption price and the interest on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

In the event a portion of the principal amount of a Bond is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Bond to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Ordinance for the then unredeemed balance of the principal sum thereof will be issued to the registered owner, without charge. If a Bond is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within forty-five (45) days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

With respect to any optional redemption of the Bonds, unless moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon the satisfaction of any prerequisites set forth in such notice of redemption; and, if sufficient moneys are not received or such prerequisites are not satisfied, such notice shall be of no force and effect, the City shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

The Bonds are payable from the proceeds of an ad valorem tax levied, within the limitations prescribed by law, upon all taxable property in the City. Reference is hereby made to the Ordinance, a copy of which is on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all of the provisions of which the owner or holder of this Bond by the acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the tax levied for the payment of the Bonds; the terms and conditions relating to the

ORDINANCE NO. 2020-3-7

transfer or exchange of this Bond; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which this Bond may be discharged at or prior to its maturity or redemption, and deemed to be no longer Outstanding thereunder; and for other terms and provisions contained therein. Capitalized terms used herein and not otherwise defined have the meanings assigned in the Ordinance.

This Bond, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the registered owner hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, shall treat the registered owner whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal at the Stated Maturity, or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of nonpayment of interest on a Bond on a scheduled payment date and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each registered owner of a Bond appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, recited, represented, and declared that the City is a body corporate and political subdivision duly organized and legally existing under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is duly authorized by law; that all acts, conditions, and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the City have been properly done, have happened, and have been performed in regular and due time, form, and manner as required by the Constitution and laws of the State of Texas, and the Ordinance; that the Bonds do not exceed any Constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Bonds by the levy of a tax as aforesated. In case any provision in this Bond shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be duly executed under the official seal of the City.

SECTION X. Levy of Taxes. To provide for the payment of the "Debt Service Requirements" of the Bonds, being (i) the interest on the Bonds and (ii) a sinking fund for their redemption at maturity or a sinking fund of 2% (whichever amount is the greater) there is hereby levied, and there shall be annually assessed and collected in due time, form, and manner, a tax on all taxable property in the City, within the limitations by law prescribed, sufficient to pay the principal of and interest on the Bonds as the same becomes due and payable; and such tax hereby levied on each one hundred dollars' valuation of taxable property in the City for the payment of the Debt Service Requirements of the Bonds shall be at a rate from year to year as will be ample and sufficient to provide funds each year to pay the principal of and interest on said Bonds while Outstanding; full allowance being made for delinquencies and costs of collection; the taxes levied, assessed, and collected for and on account of the Bonds shall be accounted for separate and apart from all other funds of the City and shall be deposited in the "SPECIAL SERIES 2020 GENERAL OBLIGATION REFUNDING AND IMPROVEMENT BOND FUND", or such other fund designation as specified in the Pricing Certificate (the "Interest and Sinking Fund") to be maintained at an official depository of the City's funds; and such tax hereby levied, and to be assessed and collected annually, is hereby pledged to the payment of the Bonds.

ORDINANCE NO. 2020-3-7

with the Paying Agent/Registrar on or before each principal and interest payment date for the Bonds.

SECTION XI. Mutilated - Destroyed - Lost and Stolen Bonds. In case any Bond shall be mutilated, or destroyed, lost, or stolen, the Paying Agent/Registrar may execute and deliver a replacement Bond of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Bond; and with respect to a lost, destroyed, or stolen Bond, a replacement Bond may be issued only upon the approval of the City and after (i) the filing by the Holder with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss, or theft of such Bond, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the City and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Bond shall be borne by the Holder of the Bond mutilated, destroyed, lost, or stolen.

Every replacement Bond issued pursuant to this Section shall be a valid and binding obligation of the City, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds; notwithstanding the enforceability of payment by anyone of the destroyed, lost, or stolen Bonds.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Bonds.

SECTION XII. Satisfaction of Obligations of City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Ordinance and the Pricing Certificate, then the pledge of taxes levied under this Ordinance and all covenants, agreements, and other obligations of the City to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Bonds or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Bonds, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. The City covenants that no deposit of moneys or Government Securities will be made under this Section and no use made of any such deposit which would cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an

ORDINANCE NO. 2020-3-7

authorized escrow agent, pursuant to this Section which is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of three (3) years after the Stated Maturity, or applicable redemption date, of the Bonds such moneys were deposited and are held in trust to pay shall upon the request of the City be remitted to the City against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the City shall be subject to any applicable unclaimed property laws of the State of Texas.

The term "Government Securities" shall mean (a) direct noncallable obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, and (b) noncallable obligations of an agency or instrumentality of the United States of America, including obligations unconditionally guaranteed or insured by the agency or instrumentality and, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent.

The City reserves the right, subject to satisfying the requirements of (i) and (ii) above, to substitute other Government Securities for the Government Securities originally deposited, to reinvest the uninvested moneys on deposit for such defeasance and to withdraw for the benefit of the City moneys in excess of the amount required for such defeasance.

Upon such deposit as described above, such Bonds shall no longer be regarded to be outstanding or unpaid. Provided, however, the City has reserved the option, to be exercised at the time of the defeasance of the Bonds, to call for redemption, at an earlier date, those Bonds which have been defeased to their maturity date, if the City: (i) in the proceedings providing for the firm banking and financial arrangements, expressly reserves the right to call the Bonds for redemption; (ii) gives notice of the reservation of that right to the Holders of the Bonds immediately following the making of the firm banking and financial arrangements; and (iii) directs that notice of the reservation be included in any redemption notices that it authorizes.

SECTION XIII. Ordinance a Contract - Amendments - Outstanding Bonds. This Ordinance, together with the Pricing Certificate, shall constitute a contract with the Holders from time to time, be binding on the City, and shall not be amended or repealed by the City so long as any Bond remains Outstanding except as permitted in this Section and in Section XXXI hereof. The City may, without the consent of or notice to any Holders, from time to time and at any time, amend this Ordinance or any provision in the Pricing Certificate in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the City may, with the consent of Holders who own a majority of the aggregate of the principal amount of the Bonds then Outstanding, amend, add to, or rescind any of the provisions of this Ordinance or any provision in the Pricing Certificate; provided that, without the consent of all Holders of Outstanding Bonds, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of and interest on the Bonds, reduce the principal amount thereof, the redemption price, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Bonds, (2) give any preference to any Bond over any other Bond, or (3) reduce the aggregate principal amount of Bonds required to be held by Holders for consent to any such amendment, addition, or rescission.

ORDINANCE NO. 2020-3-7

The term “Outstanding” when used in this Ordinance with respect to Bonds means, as of the date of determination, all Bonds theretofore issued and delivered under this Ordinance, except:

- (1) those Bonds cancelled by the Paying Agent/Registrar or delivered to the Paying Agent/Registrar for cancellation;
- (2) those Bonds deemed to be duly paid by the City in accordance with the provisions of Section XII hereof; and
- (3) those mutilated, destroyed, lost, or stolen Bonds which have been replaced with Bonds registered and delivered in lieu thereof as provided in Section XI hereof.

SECTION XIV. Covenants to Maintain Tax-Exempt Status.

(a) **Definitions.** When used in this Section, the following terms have the following meanings:

“*Closing Date*” means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

“*Code*” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

“*Computation Date*” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“*Gross Proceeds*” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

“*Investment*” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“*Nonpurpose Investment*” means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

ORDINANCE NO. 2020-3-7

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction, or improvement of which is to be financed (or refinanced) directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(i) exclusively own, operate, and possess all property the acquisition, construction, or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds (including property financed with Gross Proceeds of the Refunded Obligations), and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed, or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department, and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction, or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds (including property financed with Gross Proceeds of the Refunded Obligations), other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed, or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output, or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed, or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield

ORDINANCE NO. 2020-3-7

from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six (6) years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the Holders thereof for federal income tax purposes, the City shall pay to the United States out of the general fund, other appropriate fund, or, if permitted by applicable Texas statute, regulation, or opinion of the Attorney General of the State of Texas, the Interest and Sinking Fund, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place, and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a

ORDINANCE NO. 2020-3-7

reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager and Director of Finance of the City, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as one or more of such persons deems necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption, or similar or other appropriate certificate, form, or document.

(k) Bonds Not Hedge Bonds. At the time the original obligations refunded by the Bonds were issued, the City reasonably expected to spend at least 85% of the spendable proceeds of such obligations within three years after such obligations were issued and (2) not more than 50% of the proceeds of the original obligations refunded by the Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

(l) Current Refunding. The Bonds are being issued to pay and discharge in full the Refunded Obligations and such payment of the Refunded Obligations will occur within ninety (90) days after the issuance of the Bonds.

SECTION XV. Sale of Bonds - Official Statement. The Bonds authorized by this Ordinance are to be sold by the City to the Purchasers in accordance with a bond purchase agreement in the event of a negotiated sale, letter agreement to purchase in the event of a private placement, or the successful bid form in the event of a competitive sale, as applicable (the "Purchase Contract"), the terms and provisions of which Purchase Contract are to be determined by the Pricing Officer in accordance with Section III hereof. The Pricing Officer is hereby authorized and directed to execute the Purchase Contract for and on behalf of the City, as the act and deed of this Council, and to make a determination as to whether the terms are in the City's best interests, which determination shall be final.

SECTION XVI. Escrow Agreement. An "Escrow Agreement" or "Special Escrow Agreement" (either, the "Escrow Agreement") by and between the City and an authorized escrow agent (the "Escrow Agent"), if any such agreement is required in connection with the issuance of the Bonds, shall be attached to and approved in the Pricing Certificate. Such Escrow Agreement is hereby authorized to be finalized and executed by the Pricing Officer for and on behalf of the City and as the act and deed of this Council; and such Escrow Agreement as executed by said Pricing Officer shall be deemed approved by this Council and constitute the Escrow Agreement herein approved. With regard to the finalization of certain terms and provisions of any Escrow Agreement, a Pricing Officer is hereby authorized to come to an agreement with the Escrow Agent on the following details, among other matters:

1. The identification of the Refunded Obligations;
2. The creation and funding of the Escrow Fund or Funds; and

The Mayor of the City shall be and is hereby authorized to take and have charge of all necessary ordinances, resolutions, orders and records, including the definitive Bonds and the Initial Bond, pending the investigation and approval of the Initial Bond by the Attorney General of the State of Texas, and the registration of the Initial Bond to the Comptroller of Public Accounts and the delivery thereof to the Purchasers.

SECTION XIX. Proceeds of Sale. Immediately following the delivery of the Bonds, the proceeds of sale (less those proceeds of sale designated to pay costs of making permanent public improvements of the City and to pay costs of issuance and any accrued interest received from the Purchasers of the Bonds or additional proceeds being deposited to the Interest and Sinking Fund) shall be deposited with the Escrow Agent for application and disbursement in accordance with the provisions of the Escrow Agreement or deposited with the paying agent/registrar for the Refunded Obligations for the payment and redemption of the Refunded Obligations. The proceeds of sale of the Bonds not so deposited with the Escrow Agent (or the paying agent/registrar for the Refunded Obligations) for the refunding of the Refunded Obligations shall be disbursed for payment of the costs of making permanent public improvements of the City, the costs of issuance, or deposited in the Interest and Sinking Fund for the Bonds, all in accordance with written instructions from the City or its financial advisor. Additionally, the Pricing Officer shall determine the amount of any City contribution to the refunding from moneys on deposit in the interest and sinking fund(s) maintained for the payment of the Refunded Obligations.

SECTION XX. Notices to Holders - Waiver. Wherever this Ordinance or the Pricing Certificate provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States mail, first class postage prepaid, to the address of each Holder appearing in the Security Register at the close of business on the business day next preceding the mailing of such notice.

In any case in which notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Ordinance or the Pricing Certificate provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

The City may at any time deliver to the Paying Agent/Registrar for cancellation any Bonds previously certified or registered and delivered which the City may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly cancelled by the Paying Agent/Registrar. All cancelled Bonds held by the Paying Agent/Registrar shall be returned to the City.

SECTION XXII. Bond Counsel Opinion. The obligation of the Purchasers to accept delivery of the Bonds is subject to being furnished a final opinion of Norton Rose Fulbright US LLP, Dallas, Texas, Bond Counsel to the City, approving the Bonds as to their validity, said opinion to be dated and delivered as of the date of delivery and payment for the Bonds. A true and correct reproduction of said opinion is hereby authorized to be printed on the Bonds, or an executed counterpart thereof is hereby authorized to be either printed on definitive printed obligations or deposited with DTC along with the global certificates for the implementation and use of the Book-Entry-Only System used in the settlement and transfer of the Bonds.

SECTION XXIII. CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Bonds shall be of no significance or effect as regards the legality thereof, and neither the City nor attorneys approving the Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Bonds.

SECTION XXIV. Benefits of Ordinance. Nothing in this Ordinance or the Pricing Certificate, expressed or implied, is intended or shall be construed to confer upon any person other than the City, the Paying Agent/Registrar and the Holders, any right, remedy, or claim, legal or equitable, under or by reason of this Ordinance or any provision hereof or the Pricing

SECTION XXIX. Severability. If any provision of this Ordinance or the Pricing Certificate or the application thereof to any circumstance shall be held to be invalid, the remainder of this Ordinance and the Pricing Certificate and the application thereof to other circumstances shall nevertheless be valid, and this Council hereby declares that this Ordinance would have been enacted without such invalid provision.

SECTION XXX. Incorporation of Findings and Determinations. The findings and determinations of this Council contained in the preamble hereof are hereby incorporated by reference and made a part of this Ordinance for all purposes as if the same were restated in full in this Section.

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

Notwithstanding anything to the contrary in this Ordinance, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent an underwriter of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided pursuant to subsection (b) of this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

ORDINANCE NO. 2020-3-7

In the event that any officer of the City whose signature shall appear on any document shall cease to be such officer before the delivery of such document, such signature nevertheless shall be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION XXXIV. Public Meeting. ARTICLE THREE PAYING AGENT

Section 3.01 Duties of Paying Agent. As Paying Agent, the Bank shall pay, provided adequate collected funds have been provided to it for such purpose by or on behalf of the Issuer, on behalf of the Issuer the principal of each Security at its Stated Maturity, Redemption Date or Acceleration Date, to the Holder upon surrender of the Security to the Bank at the following address:

As Paying Agent, the Bank shall, provided adequate collected funds have been provided to it for such purpose by or on behalf of the Issuer, pay on behalf of the Issuer the interest on each Security when due, by computing the amount of interest to be paid each Holder and making payment thereof to the Holders of the Securities (or their Predecessor Securities) on the Record Date (as defined in the Authorizing Document). Section 3.02 Payment Dates. The Issuer hereby instructs the Bank to pay the principal of and interest on the Securities on the dates specified in the Authorizing Document.

ARTICLE FOUR REGISTRAR

Section 4.01 Security Register - Transfers and Exchanges. The Bank agrees to keep and maintain for and on behalf of the Issuer at the Bank Office books and records (herein sometimes referred to as the “Security Register”) for recording the names and addresses of the Holders of the Securities, the transfer, exchange and replacement of the Securities and the payment of the principal of and interest on the Securities to the Holders and containing such other information as may be reasonably required by the Issuer and subject to such reasonable

regulations as the Issuer and the Bank may prescribe. All transfers, exchanges and replacements of Securities shall be noted in the Security Register.

Every Security surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the Financial Industry Regulatory Authority, such written instrument to be in a form satisfactory to the Bank and duly executed by the Holder thereof or his agent duly authorized in writing.

The Bank may request any supporting documentation it feels necessary to effect a re-registration, transfer or exchange of the Securities.

To the extent possible and under reasonable circumstances, the Bank agrees that, in relation to an exchange or transfer of Securities, the exchange or transfer by the Holders thereof will be completed and new Securities delivered to the Holder or the assignee of the Holder in not more than three (3) business days after the receipt of the Securities to be cancelled in an exchange or transfer and the written instrument of transfer or request for exchange duly executed by the Holder, or his duly authorized agent, in form and manner satisfactory to the Paying Agent/Registrar.

Section 4.02 Securities. The Issuer shall provide additional Securities when needed to facilitate transfers or exchanges thereof. The Bank covenants that such additional Securities, if and when provided, will be kept in safekeeping pending their use and reasonable care will be exercised by the Bank in maintaining such Securities in safekeeping, which shall be not less than the care maintained by the Bank for debt securities of other governments or corporations for which it serves as registrar, or that is maintained for its own securities.

Section 4.03 Form of Security Register. The Bank, as Registrar, will maintain the Security Register relating to the registration, payment, transfer and exchange of the Securities in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Security Register in any form other than those which the Bank has currently available and currently utilizes at the time.

The Security Register may be maintained in written form or in any other form capable of being converted into written form within a reasonable time.

Section 4.04 List of Security Holders. The Bank will provide the Issuer at any time requested by the Issuer, upon payment of the required fee, a copy of the information contained in the Security Register. The Issuer may also inspect the information contained in the Security Register at any time the Bank is customarily open for business, provided that reasonable time is allowed the Bank to provide an up-to-date listing or to convert the information into written form.

The Bank will not release or disclose the contents of the Security Register to any person other than to, or at the written request of, an authorized officer or employee of the Issuer, except upon receipt of a court order or as otherwise required by law. Upon receipt of a court order and prior to the release or disclosure of the contents of the Security Register, the Bank will notify the Issuer so that the Issuer may contest the court order or such release or disclosure of the contents of the Security Register.

Section 4.05 Return of Cancelled Securities. The Bank will, at such reasonable intervals as it determines, surrender to the Issuer, all Securities in lieu of which or in exchange for which other Securities have been issued, or which have been paid.

Section 4.06 Mutilated, Destroyed, Lost or Stolen Securities. The Issuer hereby instructs the Bank, subject to the provisions of the Authorizing Document, to deliver and issue Securities in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities as long as the same does not result in an overissuance.

In case any Security shall be mutilated, destroyed, lost or stolen, the Bank may execute and deliver a replacement Security of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Security, or in lieu of and in substitution for such mutilated, destroyed, lost or stolen Security, only upon the approval of the Issuer and after (i) the filing by the Holder thereof with the Bank of evidence satisfactory to the Bank of the destruction, loss or theft of such Security, and of the authenticity of the ownership thereof and (ii) the furnishing to the Bank of indemnification in an amount satisfactory to hold the Issuer and the Bank harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Security shall be borne by the Holder of the Security mutilated, destroyed, lost or stolen.

Section 4.07 Transaction Information to Issuer. The Bank will, within a reasonable time after receipt of written request from the Issuer, furnish the Issuer information as to the Securities it has paid pursuant to Section 3.01, Securities it has delivered upon the transfer or exchange of any Securities pursuant to Section 4.01, and Securities it has delivered in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities pursuant to Section 4.06.

ARTICLE FIVE THE BANK

Section 5.01 Duties of Bank. The Bank undertakes to perform the duties set forth herein and agrees to use reasonable care in the performance thereof.

Section 5.02 Reliance on Documents, Etc. The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank.

The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bank was negligent in ascertaining the pertinent facts.

No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

The Bank may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality of the foregoing statement, the Bank need not examine the ownership of any Securities, but is protected in acting upon receipt of Securities containing an endorsement or instruction of transfer or power

of transfer which appears on its face to be signed by the Holder or an agent of the Holder. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document supplied by the Issuer.

The Bank may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

The Bank is also authorized to transfer funds relating to the closing and initial delivery of the Securities in the manner disclosed in the closing memorandum or letter as prepared by the Issuer, the Financial Advisor or other agent. The Bank may act on a facsimile or e-mail transmission of the closing memorandum or letter acknowledged by the Issuer, the Issuer's financial advisor or other agent as the final closing memorandum or letter. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions.

Section 5.03 Recitals of Issuer. The recitals contained herein with respect to the Issuer and in the Securities shall be taken as the statements of the Issuer, and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable to the Issuer, any Holder or Holders of any Security, or any other Person for any amount due on any Security from its own funds.

Section 5.04 May Hold Securities. The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

Section 5.05 Moneys Held by Bank - Paying Agent Account/Collateralization. A paying agent account shall at all times be kept and maintained by the Bank for the receipt, safekeeping, and disbursement of moneys received from the Issuer under this Agreement for the payment of the Securities, and money deposited to the credit of such account until paid to the Holders of the Securities shall be continuously collateralized by securities or obligations which qualify and are eligible under both the laws of the State of Texas and the laws of the United States of America to secure and be pledged as collateral for paying agent accounts to the extent such money is not insured by the Federal Deposit Insurance Corporation. Payments made from such paying agent account shall be made by check drawn on such account unless the owner of the Securities shall, at its own expense and risk, request an alternative method of payment.

Subject to the applicable unclaimed property laws of the State of Texas, any money deposited with the Bank for the payment of the principal of, premium (if any), or interest on any Security and remaining unclaimed for three years after final maturity of the Security has become due and payable will be held by the Bank and disposed of only in accordance with Title 6 of the Texas Property Code, as amended. The Bank shall have no liability by virtue of actions taken in compliance with this provision.

The Bank is not obligated to pay interest on any money received by it under this Agreement.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF PLANO:

The Bonds shall be dated (the “Bond Date”) as provided in the Pricing Certificate.

ORDINANCE NO. 2020-3-8

SECTION II. Fully Registered Obligations – Terms. The Bonds shall be issued as fully registered obligations, and (other than the Initial Bond referenced in Section VIII hereof) shall be in denominations of \$5,000 or any integral multiple (within a Stated Maturity) thereof, shall be lettered “R” and numbered consecutively from one (1) upward and principal shall become due and payable on a date certain in each of the years and in amounts (the “Stated Maturities”) in accordance with the details of the Bonds as set forth in the Pricing Certificate.

The Bonds shall bear interest on the unpaid principal amounts from the date specified in the Pricing Certificate at the rate(s) per annum shown in the Pricing Certificate (calculated on the basis of a 360-day year consisting of twelve 30-day months). Interest on the Bonds shall be payable in each year, on the dates, and commencing on the date, set forth in the Pricing Certificate.

SECTION III. Delegation of Authority to Pricing Officer.

(a) As authorized by Section 1207.007 and Section 1371.053, Texas Government Code, as amended, the City Manager or the Director of Finance of the City (either, the “Pricing Officer”) is hereby authorized to act on behalf of the City in selling and delivering the Bonds and carrying out the other procedures specified in this Ordinance, including selection of the specific maturities or series, in whole or in part, of the Refunded Obligations to be refunded, determining the aggregate principal amount of the Bonds, the date of the Bonds, any additional or different designation or title by which the Bonds shall be known, the price at which the Bonds will be sold, the manner of sale (negotiated, privately placed or competitively bid), the years in which the Bonds will mature, the principal amount to mature in each of such years, the rate of interest to be borne by each such maturity, the date from which interest on the Bonds will accrue, the interest payment dates, the record date, the price and terms upon and at which the Bonds shall be subject to redemption prior to maturity at the option of the City, as well as any mandatory sinking fund redemption provisions, determination of the use of a book-entry-only securities clearance, settlement and transfer system, the designation of a paying agent/registrars, the designation of an escrow agent satisfying the requirements of Chapter 1207, the terms of any bond insurance applicable to the Bonds, including any modification of the continuing disclosure undertaking contained in Section XXXI hereof as may be required by the purchasers of the Bonds in connection with any amendments to Rule 15c2-12, and all other matters relating to the issuance, sale and delivery of the Bonds, all of which shall be specified in the Pricing Certificate, provided that:

(i) the aggregate original principal amount of the Bonds shall not exceed \$14,025,000;

(ii) the refunding must produce a net present value debt service savings of at least 3.00%, net of any City contribution;

(iii) the maximum true interest cost for the Bonds shall not exceed 2.78%;

(iv) the maximum maturity date of the Bonds shall not exceed September 1, 2032.

The execution of the Pricing Certificate shall evidence the sale date of the Bonds by the City to the Purchasers (hereinafter defined).

ORDINANCE NO. 2020-3-8

If the Pricing Officer determines that bond insurance results in a net reduction of the City's interest costs associated with the Bonds, then the Pricing Officer is authorized, in connection with effecting the sale of the Bonds, to make the selection of the municipal bond insurance company for the Bonds (the "Insurer") and to obtain from the Insurer a municipal bond insurance policy in support of the Bonds. The Pricing Officer shall have the authority to determine the provisions of the commitment for any such policy and to execute any documents to effect the issuance of said policy by the Insurer.

(b) In establishing the aggregate principal amount of the Bonds, the Pricing Officer shall establish an amount not exceeding the amount authorized in subsection (a)(i) above, which shall be sufficient in amount to provide for the purposes for which the Bonds are authorized and to pay costs of issuing the Bonds. The delegation made hereby shall expire if not exercised by the Pricing Officer within one (1) year of the date hereof. The Bonds shall be sold to the purchaser(s)/underwriter(s) named in the Pricing Certificate (the "Purchasers"), at such price and with and subject to such terms as set forth in the Pricing Certificate and the Purchase Contract (hereinafter defined), and may be sold by negotiated or competitive sale or by private placement. The Pricing Officer is hereby delegated the authority to designate the Purchasers, which delegation shall be evidenced by the execution of the Pricing Certificate.

SECTION IV. Terms of Payment - Paying Agent/Registrar. The principal of, premium, if any, and the interest on the Bonds, due and payable by reason of maturity, redemption or otherwise, shall be payable only to the registered owners or holders of the Bonds (hereinafter called the "Holders") appearing on the registration and transfer books maintained by the Paying Agent/Registrar, and the payment thereof shall be in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, and shall be without exchange or collection charges to the Holders.

The selection and appointment of the Paying Agent/Registrar for the Bonds shall be as provided in the Pricing Certificate. Books and records relating to the registration, payment, exchange and transfer of the Bonds (the "Security Register") shall at all times be kept and maintained on behalf of the City by the Paying Agent/Registrar, all as provided herein, in accordance with the terms and provisions of a "Paying Agent/Registrar Agreement," substantially in the form attached hereto as **Exhibit A** and such reasonable rules and regulations as the Paying Agent/Registrar and the City may prescribe. The Pricing Officer or the Mayor and City Secretary are hereby authorized to execute and deliver such Paying Agent/Registrar Agreement in connection with the delivery of the Bonds. The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a commercial bank, trust company, financial institution, or other entity qualified and authorized to serve in such capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause a written notice thereof to be sent to each Holder by United States mail, first class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

The Bonds shall be payable at their Stated Maturities or upon their earlier redemption, only upon the presentation and surrender of the Bonds to the Paying Agent/Registrar at its designated offices provided in the Pricing Certificate (the "Designated Payment/Transfer Office"); provided, however, while a Bond is registered to Cede & Co., the payment thereof upon a partial redemption of the principal amount thereof may be accomplished without presentation and surrender of such Bond. Interest on a Bond shall be paid by the Paying Agent/Registrar to the Holders whose names appears in the Security Register at the close of business on the Record Date (which shall be set forth in the Pricing Certificate) and such interest payments shall be made (i) by check sent

ORDINANCE NO. 2020-3-8

by United States mail, first class postage prepaid, to the address of the Holder recorded in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder. If the date for the payment of the principal or of interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to be closed, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to be closed; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a non-payment of interest on one or more maturities of the Bonds on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such past due interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Holder of the Bonds appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION V. Registration - Transfer - Exchange of Bonds - Predecessor Bonds. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each and every Holder of the Bonds issued under and pursuant to the provisions of this Ordinance, or if appropriate, the nominee thereof. Any Bond may be transferred or exchanged for Bonds of like kind, maturity, and amount and in authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Paying Agent/Registrar at its Designated Payment/Transfer Office for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for assignment or transfer of any Bond (other than the Initial Bond authorized in Section VIII hereof) for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar, one or more new Bonds, executed on behalf of and furnished by the City, shall be registered and issued to the assignee or transferee of the previous Holder; such Bonds to be of authorized denominations, of like Stated Maturity, and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds (other than the Initial Bond authorized in Section VIII hereof) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds, executed on behalf of and furnished by the City, to the Holder requesting the exchange.

All Bonds issued upon any such transfer or exchange of Bonds shall be delivered to the Holders at the Designated Payment/Transfer Office of the Paying Agent/Registrar or sent by United States mail, first class postage prepaid, to the Holders, and, upon the registration and delivery thereof, the same shall be the valid obligations of the City, evidencing the same obligation to pay and

ORDINANCE NO. 2020-3-8

entitled to the same benefits under this Ordinance, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds cancelled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the new Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered, and delivered in lieu thereof pursuant to the provisions of Section XI hereof, and such new replacement Bond shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption, in whole or in part, within forty-five (45) days of the date fixed for the redemption of such Bond; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

SECTION VI. Book-Entry-Only Transfers and Transactions. Notwithstanding the provisions contained in Sections IV and V hereof relating to the payment and transfer/exchange of the Bonds, the City hereby approves and authorizes the use of "Book-Entry-Only" securities clearance, settlement, and transfer system provided by The Depository Trust Company, a limited purpose trust company organized under the laws of the State of New York ("DTC"), in accordance with the requirements and procedures identified in the current DTC Operational Arrangements memorandum, as amended, the Blanket Issuer Letter of Representations, by and between the City and DTC, and the Letter of Representations from the Paying Agent/Registrar to DTC (collectively, the "Depository Agreement") relating to the Bonds.

In the event the Pricing Officer elects to utilize DTC's "Book-Entry-Only" System, which election shall be made by the Pricing Officer in the Pricing Certificate, pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC who shall hold said Bonds for its participants (the "DTC Participants"). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or the City determines that DTC is incapable of properly discharging its duties as securities depository for the Bonds, the City covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Bonds shall be made in accordance with the provisions of Sections IV and V hereof.

ORDINANCE NO. 2020-3-8

SECTION VII. Execution - Registration. The Bonds shall be executed on behalf of the City by the Mayor under the City's seal reproduced or impressed thereon and attested by the City Secretary. The signature of said officials on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officials of the City on the date of the adoption of this Ordinance shall be deemed to be duly executed on behalf of the City, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in Chapter 1201 of the Texas Government Code, as amended.

No Bond shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section IX(c), manually executed by the Comptroller of Public Accounts of the State of Texas, or his or her duly authorized agent, or a certificate of registration substantially in the form provided in Section IX(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate duly signed upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered, and delivered.

SECTION VIII. Initial Bond. The Bonds herein authorized shall be initially issued as fully registered Bonds as specified in the Pricing Certificate, being a single, fully registered Bond in the aggregate principal amount noted and principal installments to become due and payable as provided in the Pricing Certificate and numbered T-1, (hereinafter called the "Initial Bond") and the Initial Bond shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Bond shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond, the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bond delivered hereunder and exchange therefor definitive Bonds of like kind and of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION IX. Forms.

(a) **Forms Generally.** The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Bonds, shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and, with the Bonds to be completed and modified with the information set forth in the Pricing Certificate, may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends on insured Bonds and any reproduction of an opinion of counsel) thereon as may, consistently herewith, be established by the City or determined by the Pricing Officer. The Pricing Certificate shall set forth the final and controlling forms and terms of the Bonds. Any portion of the text of any Bonds may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

ORDINANCE NO. 2020-3-8

The definitive Bonds and the Initial Bond shall be printed, lithographed, engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing such Bonds as evidenced by their execution thereof.

* Stated maturity.

The particular Term Bonds of a Stated Maturity to be redeemed on each redemption date shall be chosen by lot by the Paying Agent/Registrar; provided, however, that the principal amount of Term Bonds for a Stated Maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the City, by the principal amount of Term Bonds of like Stated Maturity which, at least fifty (50) days prior to a mandatory redemption date, (1) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation or (2) shall have been redeemed pursuant to the optional redemption provisions appearing below and not theretofore credited against a mandatory redemption requirement.]

The Bonds maturing on and after _____, 20__, may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on _____, 20__, or on any date thereafter, at the redemption price of par, together with accrued interest to the date of redemption.

At least thirty (30) days prior to the date fixed for any redemption of Bonds, the City shall cause a written notice of such redemption to be sent by United States mail, first class postage prepaid, to the registered owners of each Bond to be redeemed, in whole or in part, at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Ordinance. If a Bond (or any portion of its principal sum) shall have been duly called for

ORDINANCE NO. 2020-3-8

redemption and notice of such redemption duly given, then upon such redemption date such Bond (or the portion of its principal sum to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor; provided moneys for the payment of the redemption price and the interest on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

In the event a portion of the principal amount of a Bond is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Bond to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Ordinance for the then unredeemed balance of the principal sum thereof will be issued to the registered owner, without charge. If a Bond is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within forty-five (45) days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

With respect to any optional redemption of the Bonds, unless moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon the satisfaction of any prerequisites set forth in such notice of redemption; and, if sufficient moneys are not received or such prerequisites are not satisfied, such notice shall be of no force and effect, the City shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

The Bonds are payable from the proceeds of an ad valorem tax levied, within the limitations prescribed by law, upon all taxable property in the City. Reference is hereby made to the Ordinance, a copy of which is on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all of the provisions of which the owner or holder of this Bond by the acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the tax levied for the payment of the Bonds; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which this Bond may be discharged at or prior to its maturity or redemption, and deemed to be no longer Outstanding thereunder; and for other terms and provisions contained therein. Capitalized terms used herein and not otherwise defined have the meanings assigned in the Ordinance.

This Bond, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the registered owner hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, shall treat the registered owner whose name appears on the Security Register (i) on the Record Date as the owner entitled

ORDINANCE NO. 2020-3-8

to payment of interest hereon, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal at the Stated Maturity, or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of nonpayment of interest on a Bond on a scheduled payment date and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each registered owner of a Bond appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, recited, represented, and declared that the City is a body corporate and political subdivision duly organized and legally existing under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is duly authorized by law; that all acts, conditions, and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the City have been properly done, have happened, and have been performed in regular and due time, form, and manner as required by the Constitution and laws of the State of Texas, and the Ordinance; that the Bonds do not exceed any Constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Bonds by the levy of a tax as aforesated. In case any provision in this Bond shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be duly executed under the official seal of the City.

SECTION X. Levy of Taxes. To provide for the payment of the “Debt Service Requirements” of the Bonds, being (i) the interest on the Bonds and (ii) a sinking fund for their redemption at maturity or a sinking fund of 2% (whichever amount is the greater) there is hereby levied, and there shall be annually assessed and collected in due time, form, and manner, a tax on all taxable property in the City, within the limitations by law prescribed, sufficient to pay the principal of and interest on the Bonds as the same becomes due and payable; and such tax hereby levied on each one hundred dollars’ valuation of taxable property in the City for the payment of the Debt Service Requirements of the Bonds shall be at a rate from year to year as will be ample and sufficient to provide funds each year to pay the principal of and interest on said Bonds while Outstanding; full allowance being made for delinquencies and costs of collection; the taxes levied, assessed, and collected for and on account of the Bonds shall be accounted for separate and apart from all other funds of the City and shall be deposited in the “SPECIAL SERIES 2020 GENERAL OBLIGATION REFUNDING TAXABLE BOND FUND”, or such other fund designation as specified in the Pricing Certificate (the “Interest and Sinking Fund”) to be maintained at an official depository of the City’s funds; and such tax hereby levied, and to be assessed and collected annually, is hereby pledged to the payment of the Bonds.

PROVIDED, however, with regard to any payment to become due on the Bonds prior to the tax delinquency date next following the annual assessment of taxes levied which next follows the Bond Date, if any, sufficient current funds will be available and are hereby appropriated to make such payments; and the Mayor, Mayor Pro Tem, City Manager, Director of Finance and City Secretary of the City, individually or jointly, are hereby authorized and directed to transfer and deposit in the Interest and Sinking Fund such current funds which, together with the accrued interest received from the initial purchasers, will be sufficient to pay the payments due on the Bonds prior to the tax delinquency date next following the annual assessment of taxes levied which next follows the Bond Date.

The Mayor, Mayor Pro Tem, City Manager, Director of Finance and City Secretary of the City, individually or jointly, are hereby authorized and directed to cause to be transferred to the Paying Agent/Registrar for the Bonds, from funds on deposit in the Interest and Sinking Fund, amounts sufficient to fully pay and discharge promptly each installment of interest and principal of the Bonds as the same accrues or matures or comes due by reason of redemption prior to maturity; such transfers of funds to be made in such manner as will cause collected funds to be deposited with the Paying Agent/Registrar on or before each principal and interest payment date for the Bonds.

SECTION XI. Mutilated - Destroyed - Lost and Stolen Bonds. In case any Bond shall be mutilated, or destroyed, lost, or stolen, the Paying Agent/Registrar may execute and deliver a replacement Bond of like form and tenor, and in the same denomination and bearing a number

ORDINANCE NO. 2020-3-8

not contemporaneously outstanding, in exchange and substitution for such mutilated Bond; and with respect to a lost, destroyed, or stolen Bond, a replacement Bond may be issued only upon the approval of the City and after (i) the filing by the Holder with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss, or theft of such Bond, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the City and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Bond shall be borne by the Holder of the Bond mutilated, destroyed, lost, or stolen.

Every replacement Bond issued pursuant to this Section shall be a valid and binding obligation of the City, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds; notwithstanding the enforceability of payment by anyone of the destroyed, lost, or stolen Bonds.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Bonds.

SECTION XII. Satisfaction of Obligations of City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Ordinance and the Pricing Certificate, then the pledge of taxes levied under this Ordinance and all covenants, agreements, and other obligations of the City to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Bonds or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Bonds, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. The City covenants that no deposit of moneys or Government Securities will be made under this Section and no use made of any such deposit which would cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of three (3) years after the Stated Maturity, or applicable redemption date, of the Bonds such moneys were deposited and are held

ORDINANCE NO. 2020-3-8

in trust to pay shall upon the request of the City be remitted to the City against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the City shall be subject to any applicable unclaimed property laws of the State of Texas.

The term "Government Securities" shall mean (a) direct noncallable obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, and (b) noncallable obligations of an agency or instrumentality of the United States of America, including obligations unconditionally guaranteed or insured by the agency or instrumentality and, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent.

The City reserves the right, subject to satisfying the requirements of (i) and (ii) above, to substitute other Government Securities for the Government Securities originally deposited, to reinvest the uninvested moneys on deposit for such defeasance and to withdraw for the benefit of the City moneys in excess of the amount required for such defeasance.

Upon such deposit as described above, such Bonds shall no longer be regarded to be outstanding or unpaid. Provided, however, the City has reserved the option, to be exercised at the time of the defeasance of the Bonds, to call for redemption, at an earlier date, those Bonds which have been defeased to their maturity date, if the City: (i) in the proceedings providing for the firm banking and financial arrangements, expressly reserves the right to call the Bonds for redemption; (ii) gives notice of the reservation of that right to the Holders of the Bonds immediately following the making of the firm banking and financial arrangements; and (iii) directs that notice of the reservation be included in any redemption notices that it authorizes.

SECTION XIII. Ordinance a Contract - Amendments - Outstanding Bonds. This Ordinance, together with the Pricing Certificate, shall constitute a contract with the Holders from time to time, be binding on the City, and shall not be amended or repealed by the City so long as any Bond remains Outstanding except as permitted in this Section and in Section XXXI hereof. The City may, without the consent of or notice to any Holders, from time to time and at any time, amend this Ordinance or any provision in the Pricing Certificate in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the City may, with the consent of Holders who own a majority of the aggregate of the principal amount of the Bonds then Outstanding, amend, add to, or rescind any of the provisions of this Ordinance or any provision in the Pricing Certificate; provided that, without the consent of all Holders of Outstanding Bonds, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of and interest on the Bonds, reduce the principal amount thereof, the redemption price, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Bonds, (2) give any preference to any Bond over any other Bond, or (3) reduce the aggregate principal amount of Bonds required to be held by Holders for consent to any such amendment, addition, or rescission.

The term "Outstanding" when used in this Ordinance with respect to Bonds means, as of the date of determination, all Bonds theretofore issued and delivered under this Ordinance, except:

- (1) those Bonds cancelled by the Paying Agent/Registrar or delivered to the Paying Agent/Registrar for cancellation;

ORDINANCE NO. 2020-3-8

(2) those Bonds deemed to be duly paid by the City in accordance with the provisions of Section XII hereof; and

(3) those mutilated, destroyed, lost, or stolen Bonds which have been replaced with Bonds registered and delivered in lieu thereof as provided in Section XI hereof.

SECTION XIV. Reserved.

SECTION XV. Sale of Bonds - Official Statement. The City shall be obligated to observe and perform the covenants specified in this Section while, but only while, the City remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the City in any event will give the notice required by subsection (c) hereof of any Bond calls and defeasance that cause the City to be no longer such an “obligated person.”

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

Notwithstanding anything to the contrary in this Ordinance, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests

ORDINANCE NO. 2020-3-8

of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent an underwriter of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided pursuant to subsection (b) of this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

In addition, prior to the initial delivery of the Bonds, the Mayor, Mayor Pro Tem, City Manager, Director of Finance or Bond Counsel to the City are each hereby authorized and directed to approve any changes or corrections to this Ordinance or to any of the documents authorized and approved by this Ordinance, including the Pricing Certificate: (i) in order to cure any technical ambiguity, formal defect or omission in this Ordinance or such other document; or (ii) as requested by the Attorney General of the State of Texas or his representative to obtain the approval of the Bonds by the Attorney General and if such officer or counsel determines that such ministerial changes are consistent with the intent and purpose of this Ordinance, which determination shall be final. In the event that any officer of the City whose signature shall appear on any document shall cease to be such officer before the delivery of such document, such signature nevertheless shall be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

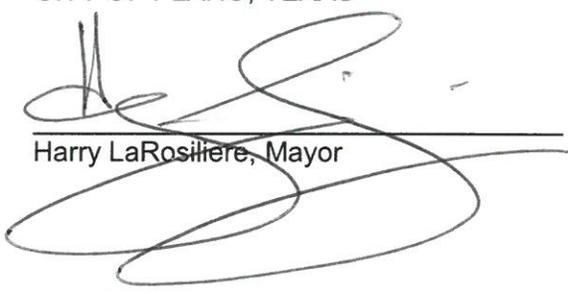

SECTION XXXIV. Public Meeting. It is officially found, determined, and declared that the meeting at which this Ordinance is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Ordinance, was given, all as required by Chapter 551 of the Texas Government Code, as amended.

Section 3.02 Payment Dates. The Issuer hereby instructs the Bank to pay the principal of and interest on the Securities on the dates specified in the Authorizing Document.

**ARTICLE FOUR
REGISTRAR**

Section 4.01 Security Register - Transfers and Exchanges. The Bank agrees to keep and maintain for and on behalf of the Issuer at the Bank Office books and records (herein sometimes referred to as the “Security Register”) for recording the names and addresses of the Holders of the Securities, the transfer, exchange and replacement of the Securities and the payment of the principal of and interest on the Securities to the Holders and containing such other information as may be reasonably required by the Issuer and subject to such reasonable

regulations as the Issuer and the Bank may prescribe. All transfers, exchanges and replacements of Securities shall be noted in the Security Register.

Every Security surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the Financial Industry Regulatory Authority, such written instrument to be in a form satisfactory to the Bank and duly executed by the Holder thereof or his agent duly authorized in writing.

The Bank may request any supporting documentation it feels necessary to effect a re-registration, transfer or exchange of the Securities.

To the extent possible and under reasonable circumstances, the Bank agrees that, in relation to an exchange or transfer of Securities, the exchange or transfer by the Holders thereof will be completed and new Securities delivered to the Holder or the assignee of the Holder in not more than three (3) business days after the receipt of the Securities to be cancelled in an exchange or transfer and the written instrument of transfer or request for exchange duly executed by the Holder, or his duly authorized agent, in form and manner satisfactory to the Paying Agent/Registrar.

Section 4.02 Securities. The Issuer shall provide additional Securities when needed to facilitate transfers or exchanges thereof. The Bank covenants that such additional Securities, if and when provided, will be kept in safekeeping pending their use and reasonable care will be exercised by the Bank in maintaining such Securities in safekeeping, which shall be not less than the care maintained by the Bank for debt securities of other governments or corporations for which it serves as registrar, or that is maintained for its own securities.

Section 4.03 Form of Security Register. The Bank, as Registrar, will maintain the Security Register relating to the registration, payment, transfer and exchange of the Securities in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Security Register in any form other than those which the Bank has currently available and currently utilizes at the time.

The Security Register may be maintained in written form or in any other form capable of being converted into written form within a reasonable time.

The Bank will not release or disclose the contents of the Security Register to any person other than to, or at the written request of, an authorized officer or employee of the Issuer, except upon receipt of a court order or as otherwise required by law. Upon receipt of a court order and prior to the release or disclosure of the contents of the Security Register, the Bank will notify the Issuer so that the Issuer may contest the court order or such release or disclosure of the contents of the Security Register.

Section 4.05 Return of Cancelled Securities. The Bank will, at such reasonable intervals as it determines, surrender to the Issuer, all Securities in lieu of which or in exchange for which other Securities have been issued, or which have been paid.

Section 4.06 Mutilated, Destroyed, Lost or Stolen Securities. The Issuer hereby instructs the Bank, subject to the provisions of the Authorizing Document, to deliver and issue Securities in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities as long as the same does not result in an overissuance.

In case any Security shall be mutilated, destroyed, lost or stolen, the Bank may execute and deliver a replacement Security of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Security, or in lieu of and in substitution for such mutilated, destroyed, lost or stolen Security, only upon the approval of the Issuer and after (i) the filing by the Holder thereof with the Bank of evidence satisfactory to the Bank of the destruction, loss or theft of such Security, and of the authenticity of the ownership thereof and (ii) the furnishing to the Bank of indemnification in an amount satisfactory to hold the Issuer and the Bank harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Security shall be borne by the Holder of the Security mutilated, destroyed, lost or stolen.

Section 4.07 Transaction Information to Issuer. The Bank will, within a reasonable time after receipt of written request from the Issuer, furnish the Issuer information as to the Securities it has paid pursuant to Section 3.01, Securities it has delivered upon the transfer or exchange of any Securities pursuant to Section 4.01, and Securities it has delivered in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities pursuant to Section 4.06.

ARTICLE FIVE THE BANK

Section 5.01 Duties of Bank. The Bank undertakes to perform the duties set forth herein and agrees to use reasonable care in the performance thereof.

Section 5.02 Reliance on Documents, Etc. The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank.

The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bank was negligent in ascertaining the pertinent facts.

No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

The Bank may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality of the foregoing statement, the Bank need not examine the ownership of any Securities, but is protected in acting upon receipt of Securities containing an endorsement or instruction of transfer or power

of transfer which appears on its face to be signed by the Holder or an agent of the Holder. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document supplied by the Issuer.

The Bank may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

The Bank is also authorized to transfer funds relating to the closing and initial delivery of the Securities in the manner disclosed in the closing memorandum or letter as prepared by the Issuer, the Financial Advisor or other agent. The Bank may act on a facsimile or e-mail transmission of the closing memorandum or letter acknowledged by the Issuer, the Issuer's financial advisor or other agent as the final closing memorandum or letter. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions.

Section 5.03 Recitals of Issuer. The recitals contained herein with respect to the Issuer and in the Securities shall be taken as the statements of the Issuer, and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable to the Issuer, any Holder or Holders of any Security, or any other Person for any amount due on any Security from its own funds.

Section 5.04 May Hold Securities. The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

Section 5.05 Moneys Held by Bank - Paying Agent Account/Collateralization. A paying agent account shall at all times be kept and maintained by the Bank for the receipt, safekeeping, and disbursement of moneys received from the Issuer under this Agreement for the payment of the Securities, and money deposited to the credit of such account until paid to the Holders of the Securities shall be continuously collateralized by securities or obligations which qualify and are eligible under both the laws of the State of Texas and the laws of the United States of America to secure and be pledged as collateral for paying agent accounts to the extent such money is not insured by the Federal Deposit Insurance Corporation. Payments made from such paying agent account shall be made by check drawn on such account unless the owner of the Securities shall, at its own expense and risk, request an alternative method of payment.

Subject to the applicable unclaimed property laws of the State of Texas, any money deposited with the Bank for the payment of the principal of, premium (if any), or interest on any Security and remaining unclaimed for three years after final maturity of the Security has become due and payable will be held by the Bank and disposed of only in accordance with Title 6 of the Texas Property Code, as amended. The Bank shall have no liability by virtue of actions taken in compliance with this provision.

The Bank is not obligated to pay interest on any money received by it under this Agreement.

This Agreement relates solely to money deposited for the purposes described herein, and the parties agree that the Bank may serve as depository for other funds of the Issuer, act as trustee under indentures authorizing other bond transactions of the Issuer, or act in any other capacity not in conflict with its duties hereunder.

Section 5.06 Indemnification. To the extent permitted by law, the Issuer agrees to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or willful misconduct on its part, arising out of or in connection with its acceptance or administration of its duties hereunder, including the cost and expense against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement.

Section 5.07 Interpleader. The Issuer and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its person as well as funds on deposit, in either a Federal or State District Court located in the state and county where the administrative office of the Issuer is located, and agree that service of process by certified or registered mail, return receipt requested, to the address referred to in Section 6.03 of this Agreement shall constitute adequate service. The Issuer and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction in the State of Texas to determine the rights of any Person claiming any interest herein.

In the event the Bank becomes involved in litigation in connection with this Section, the Issuer, to the extent permitted by law, agrees to indemnify and save the Bank harmless from all loss, cost, damages, expenses, and attorney fees suffered or incurred by the Bank as a result. The obligations of the Bank under this Agreement shall be performable at the principal corporate office of the Bank in the City of _____, Texas.

Section 5.08 DTC Services. It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for "Depository Trust Company" services or equivalent depository trust services by other organizations, the Bank has the capability and, to the extent within its control, will comply with the "Operational Arrangements", which establishes requirements for securities to be eligible for such type depository trust services, including, but not limited to, requirements for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls.

However, if the Issuer fails to appoint a successor Paying Agent/Registrar within a reasonable time, the Bank may petition a court of competent jurisdiction within the State of Texas to appoint a successor. Furthermore, the Bank and the Issuer mutually agree that the effective date of an early termination of this Agreement shall not occur at any time which would disrupt, delay or otherwise adversely affect the payment of the Securities.

Upon an early termination of this Agreement, the Bank agrees to promptly transfer and deliver the Security Register (or a copy thereof), together with the other pertinent books and records relating to the Securities, to the successor Paying Agent/Registrar designated and appointed by the Issuer.

The provisions of Section 1.02 and of Article Five shall survive and remain in full force and effect following the termination of this Agreement.

Section 6.12 No Boycott of Israel. The Bank hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, to the extent this Agreement is a contract for goods or services, will not boycott Israel during

the term of this Agreement. The foregoing verification is made solely to comply with Section 2270.002, Texas Government Code, and to the extent such Section does not contravene applicable Federal law. As used in the foregoing verification, 'boycott Israel' means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Bank understands 'affiliate' to mean an entity that controls, is controlled by, or is under common control with the Bank and exists to make a profit.

Section 6.13 Contracts With Companies Engaged in Business With Iran, Sudan or Foreign Terrorist Organizations Prohibited. The Bank represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer's internet website:

<https://comptroller.texas.gov/purchasing/docs/sudan-list.pdf>,
<https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>, or
<https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>.

The foregoing representation is made solely to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and excludes the Bank and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The Bank understands "affiliate" to mean any entity that controls, is controlled by, or is under common control with the Bank and exists to make a profit.

Section 6.14 Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of Texas.
