I agree to update this permit within 10 days after the change occurs if any of the information contained herein changes. I have carefully read the completed application, know the same is true and correct and hereby agree that if a permit is issued, all provisions of the City ordinances and State and Federal laws will be complied with, whether herein specified or not. I agree to contact One Call Systems and/or local public and private utility companies prior to commencement of work. Except to the extent Section 283.057 of the Local Government Code may apply, I agree to indemnify and forever hold the City of Plano harmless against each and every claim, demand or cause of action that may be made or come against it by reason of or in any way arising out of the performing of construction, excavation and/or the closing or blocking of the roadway by the applicant under a permit from the City, if such a permit is granted. I have also read the City of Plano's Right-of-Way Management Ordinance No. 2001-3-20, as amended, and agree to comply with the requirements contained therein.

By signature on this permit, I understand that the Agency that I represent shall be responsible for the actions of its contractors and subcontractors and shall ensure that all contractors and subcontractors comply with the requirements of the City's Right-of-Way Management Ordinance, as amended. I also understand that any violation of the City's Right-of-Way Management Ordinance, as amended, may result in revocation of the Agency's permit.
